SECTION 1. Representations and Warranties. Each of the Company and Parent Guarantor represent and warrant to each Underwriter as of the date hereof and as of the Closing Time (as defined below), and agrees with each Underwriter, as follows:

(a) **Registration Statement and Prospectuses.** The Company and the Parent Guarantor meet the requirements for use of Form S-3 under the Securities Act. The Registration Statement is an automatic shelf registration statement under Rule 405 and the Securities have been and remain eligible for registration by the Company and the Parent Guarantor on such automatic shelf registration statement. Each of the Registration Statement and any post-effective amendment thereto has become effective under the Securities Act. No stop order suspending the effectiveness of the Registration Statement or any post-effective amendment thereto has been issued under the Securities Act, no notice of objection of the Commission to the use of the Registration Statement or any post-effective amendment thereto pursuant to Rule 401(g)(2) of the Securities Act (**“Rule 401(g)(2)”**) has been received by the Company, no order preventing or suspending the use of any preliminary prospectus or the Prospectus or any amendment or supplement thereto has been issued and no proceedings for any of those purposes have been instituted or are pending or, to the Company’s knowledge, contemplated. Each of the Company and/or the Parent Guarantor has complied with each request (if any) from the Commission for additional information. In addition, the Indenture has been duly qualified under the Trust Indenture Act of 1939, as amended, and the rules and regulations promulgated thereunder (the **“Trust Indenture Act”**).

Each of the Registration Statement and any post-effective amendment thereto, at the time of its effectiveness, each deemed effective date with respect to the Underwriters pursuant to Rule 430B(f)(2), the Applicable Time and the Closing Time complied and will comply in all material respects with the requirements of the Securities Act and the Trust Indenture Act. Each preliminary prospectus and the Prospectus and any amendment or supplement thereto, at the time each was filed with the Commission, and, in each case, the Applicable Time and the Closing Time complied and will comply in all material respects with the requirements of the Securities Act and the Trust Indenture Act, and each preliminary prospectus and the Prospectus are identical to the electronically transmitted copies thereof filed with the Commission pursuant to EDGAR, except to the extent permitted by Regulation S-T.

(b) **The General Disclosure Package.** Neither the Registration Statement nor any amendment thereto, at its effective time, on the date hereof or at the Closing Time, contained, contains or will contain an untrue statement of a material fact or omitted, omits or will omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading. None of the General Disclosure Package or any individual Issuer Limited Use Free Writing Prospectus when considered together with the General Disclosure Package, as of the Applicable Time, or the Prospectus, including any amendment or supplement thereto, as of its date, at the time of any filing with the Commission pursuant to Rule 424(b) or as of the Closing Time, contains or will contain an untrue statement of a material fact or omits or will omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; *provided that* this representation, warranty and agreement shall not apply to statements in or omissions from the Registration Statement, the General Disclosure Package, the Prospectus or any amendment or supplement thereto, or any individual Issuer Limited Use Free Writing Prospectus made in reliance upon and in conformity with information furnished to the Company in writing by any Underwriter through the Representatives expressly for use in the Registration Statement, the General Disclosure Package, the Prospectus or amendment or supplement thereto, or any individual Issuer Limited Use Free Writing Prospectus, as the case may be. For purposes of this Agreement, the only information so furnished shall be the information in the third, eighth, and ninth paragraphs under the heading “Underwriting (Conflicts of Interest),” contained in the Prospectus (collectively, the “**Underwriter Information**”).

(c) **Issuer Free Writing Prospectuses.** No Issuer Free Writing Prospectus conflicts or will conflict with the information contained in the Registration Statement, any preliminary prospectus or the Prospectus, including any document incorporated by reference therein, that has not been superseded or modified. If at any time following issuance of an Issuer Free Writing Prospectus there occurred or occurs an event or development as a result of which such Issuer Free Writing Prospectus conflicted or would conflict with the information contained in the Registration Statement, the General Disclosure Package or the Prospectus, the Company has promptly notified or will promptly notify the Representatives and has promptly amended or supplemented or will promptly amend or supplement, at its own expense, such Issuer Free Writing Prospectus to eliminate or correct such conflict. The foregoing two sentences do not apply to statements in or omissions from any Issuer Free Writing Prospectus based upon and in conformity with written information furnished to the Company by any Underwriter through the Representatives specifically for use therein, it being understood and agreed that the only such information furnished by any Underwriter through the Representatives consists of the Underwriter Information.

(d) **Company Additional Written Communications.** Neither the Company, the Parent Guarantor nor any of their agents and representatives (other than the Underwriters, in their capacity as such) have prepared, made, used, authorized, approved or distributed and will not prepare, make, use, authorize, approve or distribute any written communication that constitutes an offer to sell or solicitation of an offer to buy the Securities other than (i) the Registration Statement, (ii) the General Disclosure Package, (iii) the Prospectus, (iv) any Issuer Free Writing Prospectus reviewed and consented to by the Representatives and listed on Schedule B hereto and (v) any electronic road show or other written communications, in each case used in accordance with Section 3(m). Each such Incorporated Document, when taken together with the General Disclosure Package, did not as of the Applicable Time, and at the Closing Time will not, contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(l) **Final Term Sheet.** The Company will prepare a final term sheet (a “**Final Term Sheet**”) containing only a description of the final terms of the Securities and their offering, in forms approved by the Underwriters and attached as Schedule D hereto, and acknowledges that the Final Term Sheet is an Issuer Free Writing Prospectus and will comply with its related obligations set forth in Section 3(m) hereof. The Company will furnish to each Underwriter, without charge, copies of the Final Term Sheet promptly upon its completion.

(m) **Issuer Free Writing Prospectuses.** The Company and the Parent Guarantor agree that, unless they obtain the prior written consent of a Representative, neither will make any offer relating to the Securities that would constitute an Issuer Free Writing Prospectus or that would otherwise constitute a “free writing prospectus,” or a portion thereof, required to be filed by the Company and the Parent Guarantor with the Commission or retained by the Company and the Parent Guarantor under Rule 433; *provided that* the Representatives will be deemed to have consented to the Issuer General Use Free Writing Prospectuses listed on Schedule B hereto and any “road show that is a written communication” within the meaning of Rule 433(d)(8)(i) that has been reviewed by the Representatives. Both of the Company and the Parent Guarantor represent that each has treated or agree that they will treat each such free writing prospectus consented to, or deemed consented to, by the Representatives as an Issuer Free Writing Prospectus and that it has complied and will comply with the applicable requirements of Rule 433 with respect thereto, including timely filing with the Commission where required, legending and record keeping. If at any time following issuance of an Issuer Free Writing Prospectus there occurred or occurs an event or development as a result of which such Issuer Free Writing Prospectus conflicted or would conflict with the information contained in the Registration Statement, any preliminary prospectus or the Prospectus or included or would include an untrue statement of a material fact or omitted or would omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances existing at that subsequent time, not misleading, the Company and the Parent Guarantor will promptly notify the Representatives in writing and will promptly amend or supplement, at its own expense, such Issuer Free Writing Prospectus to eliminate or correct such conflict, untrue statement or omission.

(n) **No Manipulation of Price.** The Company and the Parent Guarantor will not take, directly or indirectly, any action designed to cause or result in, or that has constituted or might reasonably be expected to constitute, under the Exchange Act or otherwise, the stabilization or manipulation of the price of the Notes.

The Representatives on behalf of the several Underwriters, may, in its sole discretion, waive in writing the performance by the Company or Parent Guarantor of any one or more of the foregoing covenants or extend the time for their performance.

SECTION 4. Payment of Expenses. The Company and the Parent Guarantor, jointly and severally, agree to pay, or cause to be paid, all costs, fees and expenses incurred in connection with the performance of its obligations hereunder and in connection with the transactions contemplated hereby, including, without limitation, (i) the preparation, printing and filing of the Registration Statement (including financial statements and exhibits) as originally filed and each amendment thereto, (ii) the preparation, printing and delivery to the Underwriters of copies of each preliminary prospectus, each Issuer Free Writing Prospectus and the Prospectus and any amendments or supplements thereto and any reasonable costs associated with electronic delivery of any of the foregoing by the Underwriters to investors, (iii) all expenses incident to the issuance and delivery of the Securities (including all printing and engraving costs), (iv) all necessary issue, transfer and other stamp taxes in connection with the issuance and sale of the Notes to the Underwriters, (v) all fees and expenses of the Company's and the Parent Guarantor's counsel, independent public or certified public accountants and other advisors to the Company and the Parent Guarantor, (vi) all costs and expenses incurred in connection with the preparation, printing, filing, shipping and distribution (including any form of electronic distribution) of the Registration Statement, the General Disclosure Package and the Prospectus (including financial statements and exhibits), and all amendments and supplements thereto, and the Transaction Documents, (vii) all filing fees, reasonable attorneys' fees and expenses incurred by the Company, the Parent Guarantor or the Underwriters in connection with qualifying or registering (or obtaining exemptions from the qualification or registration of) all or any part of the Securities for offer and sale under the securities laws of the several states of the United States and the provinces of Canada (including, without limitation, the cost of preparing, printing and mailing preliminary and final blue sky or legal investment memoranda and any related supplements to the Registration Statement, any preliminary prospectus, any Issuer Free Writing Prospectus and the Prospectus), (viii) the fees and expenses of the Trustee, including the reasonable fees and disbursements of counsel for the Trustee in connection with the Indenture and the Securities, (ix) any fees payable in connection with the rating of the Securities with the ratings agencies, (x) any filing fees incident to, and any reasonable fees and disbursements of counsel to the Underwriters in connection with the review by FINRA, if any, of the terms of the sale of the Securities, (xi) all fees and expenses (including reasonable fees and expenses of counsel) of the Company and the Parent Guarantor in connection with approval of the Notes by the Depository for "book-entry" transfer, and the performance by the Company and the Parent Guarantor of their respective other obligations under this Agreement, (xii) all expenses incident to any "road show" for the offering of the Securities and (xiii) all other fees, costs and expenses referred to in Item 14 of Part II of the Registration Statement; *provided that* the fees and expenses of counsel for the Underwriters pursuant to clauses (vii) and (x) hereof shall not exceed \$15,000 in the aggregate. Except as provided in this Section 4 and Sections 6, 7 and 8 hereof, the Underwriters shall pay their own expenses, including the fees and disbursements of their counsel.

SECTION 5. Conditions of the Obligations of the Underwriters. The obligations of the several Underwriters to purchase and pay for the Securities as provided herein at the Closing Time shall be subject to the condition that all representations and warranties on the part of the Company and the Parent Guarantor set forth in Section 1 hereof as of the date hereof and as of the Closing Time as though then made are true and correct and to the timely performance by the Company and the Parent Guarantor of their obligations hereunder, and to the satisfaction or waiver, as determined by the Representatives in their sole discretion, to each of the following additional conditions:

(a) **Effectiveness of Registration Statement, etc.** The Registration Statement was filed by the Company and the Parent Guarantor with the Commission not earlier than three years prior to the date hereof and became effective upon filing in accordance with Rule 462(e). Each preliminary prospectus, each Issuer Free Writing Prospectus and the Prospectus have been filed as required by Rule 424(b) (without reliance on Rule 424(b)(8)) and Rule 433, as applicable, within the time period prescribed by, and in compliance with, the Securities Act. No stop order suspending the effectiveness of the Registration Statement or any post-effective amendment thereto has been issued under the Securities Act, no notice of objection to the use of the Registration Statement or any post-effective amendment thereto pursuant to Rule 401(g)(2) has been received by the Company and/or the Parent Guarantor, no order preventing or suspending the use of any preliminary prospectus or the Prospectus or any amendment or supplement thereto has been issued and no proceedings for any of those purposes have been instituted or are pending or, to the Company or the Parent Guarantor's knowledge, contemplated. The Company and/or the Parent Guarantor have complied with each request (if any) from the Commission for additional information.

(b) **Accountants' Comfort Letter.** On the date hereof, the Underwriters shall have received from Ernst & Young LLP, the independent registered public accounting firm for the Parent Guarantor, a "comfort letter" dated the date hereof addressed to the Underwriters, in form and substance satisfactory to the Representatives, covering the financial statements and certain financial information in the Registration Statement, the General Disclosure Package and the Prospectus and other customary matters. In addition, at the Closing Time, the Underwriters shall have received from such accountants a "bring-down comfort letter" dated as of the Closing Time addressed to the Underwriters, in form and substance satisfactory to the Representatives, in the form of the "comfort letter" delivered on the date hereof, except that (i) it shall cover the financial statements and certain financial information in the Registration Statement, the General Disclosure Package and the Prospectus and any amendment or supplement thereto and (ii) procedures shall be brought down to a date no more than 3 days prior to the Closing Time.

(c) **No Material Adverse Change or Ratings Agency Change.** For the period from the execution of this Agreement and prior to the Closing Time:

(i) there shall not have occurred any Material Adverse Change, the effect of which, in the judgment of the Representatives, makes it impracticable to proceed with the offering, sale or delivery of the Securities being delivered at the Closing Time on the terms and in the manner contemplated in the Registration Statement, the General Disclosure Package and the Prospectus; and

(ii) there shall not have occurred any downgrading, nor shall any notice have been given of any intended or potential downgrading or of any review for a possible change that does not indicate the direction of the possible change, in the rating accorded the Company or any of its subsidiaries or any of their securities or indebtedness by any “nationally recognized statistical rating organization” registered under Section 15E of the Exchange Act.

(d) **Opinion of Counsel for the Company.** At the Closing Time the Underwriters shall have received an opinion of Debevoise & Plimpton LLP, counsel for the Company, dated as of such Closing Time, substantially in the form attached as Schedule E hereto and a negative assurance letter of Debevoise & Plimpton LLP, counsel for the Company, dated as of such Closing Time, substantially in the form attached as Schedule F hereto.

(e) **Opinion of Counsel for the Underwriters.** At the Closing Time the Underwriters shall have received the favorable opinion of Latham & Watkins LLP, counsel for the Underwriters, dated as of such Closing Time, and a negative assurance letter of Latham & Watkins LLP, counsel for the Underwriters, dated as of such Closing Time, with respect to such matters as may be reasonably requested by the Underwriters.

(f) **Officers’ Certificate.** At the Closing Time the Underwriters shall have received a written certificate executed by an executive officer of the Company and the Parent Guarantor, dated as of the Closing Time, to the effect set forth in Section 5(c)(ii) hereof, and further to the effect that:

(i) for the period from and after the date of this Agreement and prior to the Closing Time there has not occurred any Material Adverse Change;

(ii) the representations, warranties and covenants of the Company and the Parent Guarantor set forth in Section 1 hereof were true and correct as of the date hereof and are true and correct as of the Closing Time with the same force and effect as though expressly made on and as of the Closing Time; and

(iii) each of the Company and the Parent Guarantor has complied with all the agreements and satisfied all the conditions on its part to be performed or satisfied at or prior to the Closing Time.

(g) **CFO Certificate.** The Underwriters shall have received on the date hereof, and at the Closing Time, a certificate addressed to the Underwriters and as of such dates, of Matthew A. Calderone, Executive Vice President and Chief Financial Officer of the Company, covering certain financial and accounting information in Registration Statement, the General Disclosure Package and the Prospectus, respectively, in form and substance reasonably satisfactory to the Representatives.

(h) **Indenture.** The Company and the Parent Guarantor shall have executed and delivered the Indenture, in form and substance reasonably satisfactory to the Underwriters, and the Underwriters shall have received executed copies thereof.

(i) **Additional Documents.** At or before the Closing Time, the Underwriters and counsel for the Underwriters shall have received such information, documents and opinions as they may reasonably require for the purposes of enabling them to pass upon the issuance and sale of the Securities as contemplated herein, or in order to evidence the accuracy of any of the representations and warranties, or the satisfaction of any of the conditions or agreements, herein contained.

If any condition specified in this Section 5 is not satisfied when and as required to be satisfied, this Agreement may be terminated by the Representatives by notice to the Company at any time on or prior to the Closing Time, which termination shall be without liability on the part of any party to any other party, except that Sections 4, 6, 7 and 8 hereof shall at all times be effective and shall survive such termination.

SECTION 6. Reimbursement of Underwriters' Expenses. If this Agreement is terminated by the Representatives pursuant to Section 5 or 10 hereof, including if the sale to the Underwriters of the Securities at the Closing Time is not consummated because of any refusal, inability or failure on the part of the Company and the Parent Guarantor to perform any agreement herein or to comply with any provision hereof, the Company and the Parent Guarantor, jointly and severally, agree to reimburse the Underwriters, severally, upon demand for all out-of-pocket expenses that shall have been reasonably incurred by the Underwriters in connection with the proposed purchase and the offering and sale of the Securities, including, without limitation, fees and disbursements of counsel, printing expenses, travel expenses, postage, facsimile and telephone charges.

SECTION 7. Indemnification.

(a) **Indemnification of the Underwriters.** Each of the Company and the Parent Guarantor, jointly and severally, agrees to indemnify and hold harmless each Underwriter, its affiliates, directors and each person, if any, who controls any Underwriters within the meaning of the Securities Act and the Exchange Act against any loss, claim, damage or liability (including, without limitation, any legal or other expenses reasonably incurred in connection with defending or investigating any such action or claim) to which such Underwriter, affiliate, director or controlling person may become subject, under the Securities Act, the Exchange Act or other federal or state statutory law or regulation, or at common law or otherwise, insofar as such loss, claim, damage or liability arises out of or is based upon any untrue statement or alleged untrue statement of a material fact contained or incorporated in the Registration Statement (or any amendment thereto), including any information deemed to be a part thereof pursuant to Rule 430B, or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary to make the statements therein, not misleading or arising out of any untrue statement or alleged untrue statement of a material fact included in any preliminary prospectus, any Issuer Free Writing Prospectus, any Company Additional Written Communication, the General Disclosure Package or the Prospectus (or any amendment or supplement thereto), or the omission or alleged omission in any preliminary prospectus, any Issuer Free Writing Prospectus, any Company Additional Written Communication, the General Disclosure Package or the Prospectus (or any amendment or supplement thereto) of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; and to reimburse each Underwriter and each such affiliate, director or controlling person for any and all expenses (including the fees and disbursements of counsel chosen by the Representatives) as such expenses are reasonably incurred by such Underwriter or such affiliate, director or controlling person in connection with investigating or defending any such loss, claim, damage or liability; *provided, however*, that the foregoing indemnity agreement shall not apply, with respect to an Underwriter, to any loss, claim, damage or liability to the extent, but only to the extent, that any such loss, claim, damage or liability arises out of or is based upon any untrue statement or alleged untrue statement or omission or alleged omission based upon and in the Underwriter Information expressly for use in the Registration Statement (or any amendment thereto), including any information deemed to be a part thereof pursuant to Rule 430B, or in the General Disclosure Package or the Prospectus (or any amendment or supplement thereto). The indemnity agreement set forth in this Section 7(a) shall be in addition to any liabilities that the Company may otherwise have.

(b) **Indemnification of the Company and Parent Guarantor.** Each Underwriter agrees, severally and not jointly, to indemnify and hold harmless the Company, Parent Guarantor, each of their respective directors and each person, if any, who controls the Company or Parent Guarantor within the meaning of the Securities Act or the Exchange Act, against any loss, claim, damage or liability (including, without limitation, any legal or other expenses reasonably incurred in connection with defending or investigating any such action or claim) to which the Company, Parent Guarantor or any such director or controlling person may become subject, under the Securities Act, the Exchange Act, or other federal or state statutory law or regulation, or at common law or otherwise, insofar as such loss, claim, damage or liability arises out of or is based upon any untrue statement or alleged untrue statement of a material fact contained or incorporated in the Registration Statement (or any amendment thereto), including any information deemed to be a part thereof pursuant to Rule 430B, or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary to make the statements therein, not misleading or arising out of any untrue statement or alleged untrue statement of a material fact included in any preliminary prospectus, any Issuer Free Writing Prospectus, any Company Additional Written Communication, the General Disclosure Package or the Prospectus (or any amendment or supplement thereto), or the omission or alleged omission in any preliminary prospectus, any Issuer Free Writing Prospectus, any Company Additional Written Communication the General Disclosure Package or the Prospectus (or any amendment or supplement thereto) of material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in the Registration Statement (or any amendment thereto), including any information deemed to be a part thereof pursuant to Rule 430B, or in the General Disclosure Package or the Prospectus (or any amendment or supplement thereto), in reliance upon and in conformity with the Underwriter Information; and to reimburse each such director or controlling person for any and all expenses (including the fees and disbursements of counsel) as such expenses are reasonably incurred by the Company, Parent Guarantor or such director or controlling person in connection with investigating or defending, any such loss, claim, damage or liability. The indemnity agreement set forth in this Section 7(b) shall be in addition to any liabilities that each Underwriter may otherwise have.

(c) **Notifications and Other Indemnification Procedures.** Promptly after receipt by an indemnified party under this Section 7 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against an indemnifying party under this Section 7, notify the indemnifying party in writing of the commencement thereof; provided that the failure to so notify the indemnifying party will not relieve it from any liability which it may have to any indemnified party under this Section 7 except to the extent that it has been materially prejudiced by such failure (through the forfeiture of substantive rights and defenses) and shall not relieve the indemnifying party from any liability that the indemnifying party may have to an indemnified party other than under this Section 7. In case any such action is brought against any indemnified party and such indemnified party has notified the indemnifying party of the commencement thereof, the indemnifying party will be entitled to participate in and, to the extent that it shall elect, jointly with all other indemnifying parties similarly notified, by written notice delivered to the indemnified party promptly after receiving the aforesaid notice from such indemnified party, to assume the defense thereof with counsel reasonably satisfactory to such indemnified party; *provided, however*, if the named defendants in any such action (including any impleaded parties) include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded (based on the advice of counsel) that a conflict may arise between the positions of the indemnifying party and the indemnified party in conducting the defense of any such action or that there may be legal defenses available to it and/or other indemnified parties which are different from or additional to those available to the indemnifying party, the indemnified party or parties shall have the right to select separate counsel to assume such legal defenses and to otherwise participate in the defense of such action on behalf of such indemnified party or parties. Upon receipt of notice from the indemnifying party to such indemnified party of such indemnifying party's election so to assume the defense of such action and approval by the indemnified party of counsel, the indemnifying party will not be liable to such indemnified party under this Section 7 for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof (other than reasonable costs of investigation) unless (i) the indemnified party shall have employed separate counsel in accordance with the proviso to the immediately preceding sentence (it being understood, however, that the indemnifying party shall not be liable for the expenses of more than one separate counsel (together with local counsel (in each jurisdiction)), which shall be selected by the Representatives (in the case of counsel representing the Underwriters or their related persons), representing the indemnified parties who are parties to such action) or (ii) the indemnifying party shall not have employed counsel satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of commencement of the action, in each of which cases the fees and expenses of counsel shall be at the expense of the indemnifying party.

(d) **Settlements.** The indemnifying party under this Section 7 shall not be liable for any settlement of any proceeding effected without its written consent, which will not be unreasonably withheld, but if settled with such consent or if there be a final judgment for the plaintiff, the indemnifying party agrees to indemnify the indemnified party against any loss, claim, damage or liability (including, without limitation, any legal or other expenses reasonably incurred in connection with defending or investigating any such action or claim) by reason of such settlement or judgment. Notwithstanding the foregoing sentence, if at any time an indemnified party shall have requested an indemnifying party to reimburse the indemnified party for fees and expenses of counsel as contemplated by this Section 7, the indemnifying party agrees that it shall be liable for any settlement of any proceeding effected without its written consent if (i) such settlement is entered into more than 30 days after receipt by such indemnifying party of the aforesaid request and (ii) such indemnifying party shall not have reimbursed the indemnified party in accordance with such request prior to the date of such settlement. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement or compromise in any pending or threatened proceeding in respect of which any indemnified party is or could have been a party and indemnity was or could have been sought hereunder by such indemnified party, unless such settlement or compromise (i) includes an unconditional release of such indemnified party from all liability on claims that are the subject matter of such proceeding and (ii) does not include any statements as to or any admissions of fault, culpability or failure to act by or on behalf of any indemnified party.

SECTION 8. Contribution. If the indemnification provided for in Section 7 hereof is unavailable to or otherwise insufficient in respect of any losses, claims, damages or liabilities referred to therein, then each indemnifying party under Section 7, in lieu of indemnifying such indemnified party thereunder, shall contribute to the amount paid or payable by such indemnified party as a result of any losses, claims, damages or liabilities referred to therein (i) in such proportion as is appropriate to reflect the relative benefits received by the Company and the Parent Guarantor, on the one hand, and the Underwriters, on the other hand, from the offering of the Securities pursuant to this Agreement or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company and the Parent Guarantor, on the one hand, and the Underwriters, on the other hand, in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable considerations. The relative benefits received by the Company and the Parent Guarantor, on the one hand, and the Underwriters, on the other hand, in connection with the offering of the Securities pursuant to this Agreement shall be deemed to be in the same respective proportions as the total net proceeds from the offering of the Securities pursuant to this Agreement (before deducting expenses) received by the Company, and the total discounts and commissions received by the Underwriters bear to the aggregate initial offering price of the Securities. The relative fault of the Company and the Parent Guarantor, on the one hand, and the Underwriters, on the other hand, shall be determined by reference to, among other things, whether any such untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by the Company and the Parent Guarantor, on the one hand, or the Underwriters, on the other hand, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

The amount paid or payable by a party as a result of the losses, claims, damages and liabilities referred to above shall be deemed to include, subject to the limitations set forth in Section 8 hereof, any legal or other fees or expenses reasonably incurred by such party in connection with investigating or defending any action or claim. The provisions set forth in Section 8 hereof with respect to notice of commencement of any action shall apply if a claim for contribution is to be made under this Section 8; *provided, however*, that no additional notice shall be required with respect to any action for which notice has been given under Section 8 hereof for purposes of indemnification.

The Company, the Parent Guarantor and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Section 8 were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to in this Section 8.

Notwithstanding the provisions of this Section 8, no Underwriter shall be required to contribute any amount in excess of the total discounts and commissions received by such Underwriter in connection with the Securities distributed by it. No person guilty of fraudulent misrepresentation (within the meaning of Section 11 of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations to contribute pursuant to this Section 8 are several, and not joint, in proportion to their respective commitments as set forth opposite their names in Schedule A. For purposes of this Section 8, each director of an Underwriter and each person, if any, who controls an Underwriter within the meaning of the Securities Act and the Exchange Act shall have the same rights to contribution as such Underwriter, and each director of the Company or the Parent Guarantor, and each person, if any, who controls the Company or the Parent Guarantor with the meaning of the Securities Act and the Exchange Act shall have the same rights to contribution as the Company and the Parent Guarantor.

SECTION 9. Termination of this Agreement. Prior to the Closing Time, this Agreement may be terminated by the Representatives by notice given to the Company if at any time: (i) trading or quotation in any of the Company's securities shall have been suspended by the Commission or by the NYSE, or trading in securities generally on either the Nasdaq Stock Market or the NYSE shall have been suspended or materially limited; (ii) a general commercial banking moratorium shall have been declared by any of federal or New York State authorities; (iii) a material disruption in securities settlement, payment or clearance services in the United States or other relevant jurisdictions shall have occurred; or (iv) there shall have occurred any outbreak or escalation of national or international hostilities or any crisis or calamity, or any change in the United States or international financial markets, or any substantial change in United States' or international political, financial or economic conditions, that is material and adverse and, in the judgment of the Representatives, makes it impracticable or inadvisable to proceed with the offering sale or delivery of the Securities in the manner and on the terms described in the Registration Statement, the General Disclosure Package and the Prospectus. The indemnity and contribution provisions contained in Section 7 and 8 hereof and the representations, warranties and other statements of the Company and Parent Guarantor contained in this Agreement shall remain operative and in full force and effect regardless of (a) any termination of this Agreement, (b) any investigation made by or on behalf of the Underwriters, any person controlling the Underwriters or any affiliate of the Underwriters or the Company, Parent Guarantor, their respective officers or directors, or any person controlling the Company or Parent Guarantor and (c) acceptance of and payment for any of the Securities.

SECTION 10. **Representations and Indemnities to Survive Delivery.** The respective indemnities, agreements, representations, warranties and other statements of the Company, Parent Guarantor, their respective officers and the several Underwriters set forth in or made pursuant to this Agreement will remain in full force and effect, regardless of any investigation made by or on behalf of any Underwriter, the Company, any Parent Guarantor or any of their partners, officers or directors or any controlling person, as the case may be, and will survive delivery of and payment for the Securities sold hereunder and any termination of this Agreement.

The term “successors” shall not include any Subsequent Purchaser or other purchaser of the Securities as such from any of the Underwriters merely by reason of such purchase.

SECTION 13. **Authority of the Representatives.** Any action by the Underwriters hereunder may be taken by the Representatives on behalf of the Underwriters, and any such action taken by the Representatives shall be binding upon the Underwriters.

SECTION 14. **Partial Unenforceability.** The invalidity or unenforceability of any section, paragraph or provision of this Agreement shall not affect the validity or enforceability of any other section, paragraph or provision hereof. If any section, paragraph or provision of this Agreement is for any reason determined to be invalid or unenforceable, there shall be deemed to be made such minor changes (and only such minor changes) as are necessary to make it valid and enforceable.

SECTION 15. **Governing Law Provisions.** THIS AGREEMENT AND ANY CLAIM, CONTROVERSY OR DISPUTE ARISING UNDER OR RELATED TO THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE INTERNAL LAWS OF THE STATE OF NEW YORK APPLICABLE TO AGREEMENTS MADE AND TO BE PERFORMED IN SUCH STATE WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES THEREOF.

(a) **Consent to Jurisdiction.** Any legal suit, action or proceeding arising out of or based upon this Agreement or the transactions contemplated hereby (“**Related Proceedings**”) may be instituted in the federal courts of the United States of America located in the City and County of New York or the courts of the State of New York in each case located in the City and County of New York (collectively, the “**Specified Courts**”), and each party irrevocably submits to the exclusive jurisdiction (except for suits, actions, or proceedings instituted in regard to the enforcement of a judgment of any Specified Court in a Related Proceeding a “**Related Judgment**”, as to which such jurisdiction is non-exclusive) of the Specified Courts in any Related Proceeding. Service of any process, summons, notice or document by mail to such party’s address set forth above shall be effective service of process for any Related Proceeding brought in any Specified Court. The parties irrevocably and unconditionally waive any objection to the laying of venue of any Related Proceeding in the Specified Courts and irrevocably and unconditionally waive and agree not to plead or claim in any Specified Court that any Related Proceeding brought in any Specified Court has been brought in an inconvenient forum.

(b) **Waiver of Jury Trial.** Each of the parties hereto hereby waives any right to trial by jury in any suit or proceeding arising out of or relating to this Agreement.

SECTION 16. Default of One or More of the Several Underwriters. If any one or more of the several Underwriters shall fail or refuse to purchase Securities that it or they have agreed to purchase hereunder at the Closing Time, and the aggregate number of Securities which such defaulting Underwriter or Underwriters agreed but failed or refused to purchase does not exceed 10% of the aggregate number of the Securities to be purchased on such date, the other Underwriters shall be obligated, severally, in the proportions that the number of Securities set forth opposite their respective names on Schedule A bears to the aggregate number of Securities set forth opposite the names of all such non-defaulting Underwriters, or in such other proportions as may be specified by the Underwriters with the consent of the non-defaulting Underwriters, to purchase the Securities which such defaulting Underwriter or Underwriters agreed but failed or refused to purchase at the Closing Time. If any one or more of the Underwriters shall fail or refuse to purchase Securities and the aggregate number of Securities with respect to which such default occurs exceeds 10% of the aggregate number of Securities to be purchased at the Closing Time, and arrangements satisfactory to the Underwriters and the Company for the purchase of such Securities are not made within 48 hours after such default, this Agreement shall terminate without liability of any party to any other party except that the provisions of Sections 4, 6, 7 and 8 hereof shall at all times be effective and shall survive such termination, but nothing herein shall relieve a defaulting Underwriter from liability for its default. In any such case either the Underwriters or the Company shall have the right to postpone the Closing Time, as the case may be, but in no event for longer than seven days in order that the required changes, if any, to the Registration Statement, the General Disclosure Package and the Prospectus or any other documents or arrangements may be effected.

As used in this Agreement, the term “**Underwriter**” shall be deemed to include any person substituted for a defaulting Underwriter under this Section 16. Any action taken under this Section 16 shall not relieve any defaulting Underwriter from liability in respect of any default of such Underwriter under this Agreement.

SECTION 17. No Advisory or Fiduciary Responsibility. The Company and the Parent Guarantor acknowledges and agrees that: (i) the purchase and sale of the Securities pursuant to this Agreement, including the determination of the offering price of the Securities and any related discounts and commissions, is an arm’s-length commercial transaction between the Company and the Parent Guarantor, on the one hand, and the several Underwriters, on the other hand, and the Company and the Parent Guarantor are capable of evaluating and understanding and understand and accept the terms, risks and conditions of the transactions contemplated by this Agreement; (ii) in connection with each transaction contemplated hereby and the process leading to such transaction each Underwriter is and has been acting solely as a principal and is not the agent or fiduciary of the Company, and the Parent Guarantor or their respective affiliates, stockholders, creditors or employees or any other party; (iii) no Underwriter has assumed or will assume an advisory or fiduciary responsibility in favor of the Company and the Parent Guarantor with respect to any of the transactions contemplated hereby or the process leading thereto (irrespective of whether such Underwriter has advised or is currently advising the Company and the Parent Guarantor on other matters) or any other obligation to the Company and the Parent Guarantor except the obligations expressly set forth in this Agreement; (iv) the several Underwriters and their respective affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Company and the Parent Guarantor, and the several Underwriters have no obligation to disclose any of such interests by virtue of any fiduciary or advisory relationship; and (v) the Underwriters have not provided any legal, accounting, regulatory or tax advice with respect to the offering contemplated hereby, and the Company and the Parent Guarantor have consulted their own legal, accounting, regulatory and tax advisors to the extent they deemed appropriate.

This Agreement supersedes all prior agreements and understandings (whether written or oral) between the Company, the Parent Guarantor and the several Underwriters, or any of them, with respect to the subject matter hereof. The Company and the Parent Guarantor hereby waive and release, to the fullest extent permitted by law, any claims that the Company and the Parent Guarantor may have against the several Underwriters with respect to any breach or alleged breach of fiduciary duty.

SECTION 18. Recognition of the U.S. Special Resolution Regimes.

(a) In the event that any Underwriter that is a Covered Entity becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer from such Underwriter of this Agreement, and any interest and obligation in or under this Agreement, will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if this Agreement, and any such interest and obligation, were governed by the laws of the United States or a state of the United States.

(b) In the event that any Underwriter that is a Covered Entity or a BHC Act Affiliate of such Underwriter becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under this Agreement that may be exercised against such Underwriter are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if this Agreement were governed by the laws of the United States or a state of the United States.

For purposes of this Section 18, a “**BHC Act Affiliate**” has the meaning assigned to the term “affiliate” in, and shall be interpreted in accordance with, 12 U.S.C. § 1841(k). “**Covered Entity**” means any of the following: (i) a “covered entity” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b); (ii) a “covered bank” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or (iii) a “covered FSI” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b). “**Default Right**” has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable. “**U.S. Special Resolution Regime**” means each of (i) the Federal Deposit Insurance Act and the regulations promulgated thereunder and (ii) Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act and the regulations promulgated thereunder.

SECTION 19. Compliance with USA PATRIOT Act. In accordance with the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)), the Underwriters are required to obtain, verify and record information that identifies their respective clients, including the Company and the Parent Guarantor, which information may include the name and address of their respective clients, as well as other information that will allow the Underwriters to properly identify their respective clients.

SECTION 20. **General Provisions.** This Agreement constitutes the entire agreement of the parties to this Agreement and supersedes all prior written or oral and all contemporaneous oral agreements, understandings and negotiations with respect to the subject matter hereof. This Agreement may be executed in two or more counterparts, each one of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. Delivery of an executed counterpart of a signature page to this Agreement by telecopier, facsimile or other electronic transmission (e.g., a “pdf” or “tif”) shall be effective as delivery of a manually executed counterpart thereof. This Agreement may not be amended or modified unless in writing by all of the parties hereto, and no condition herein (express or implied) may be waived unless waived in writing by each party whom the condition is meant to benefit. The section headings herein are for the convenience of the parties only and shall not affect the construction or interpretation of this Agreement. Counterparts may be delivered via facsimile, electronic mail (including any electronic signature covered by the U.S. federal ESIGN Act of 2000, Uniform Electronic Transactions Act, the Electronic Signatures and Records Act or other applicable law, e.g., www.docusign.com) or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes.

The Notes may be issued from time to time in one or more series. The following matters shall be established with respect to each series of Notes issued hereunder in a Notes Supplemental Indenture:

The Issuer may from time to time, without notice to or the consent of the holders of any series of Notes, create and issue further Notes of any such series ranking equally with the Notes of such series in all respects (or in all respects other than the payment of interest accruing prior to the issue date of such further Notes or except for the first payment of interest following the issue date of such further Notes). Such further Notes may be consolidated and form a single series with the Notes of such series and have the same terms as to status, redemption or otherwise as the Notes of such series; provided, that if any additional Notes are not fungible with the initial Notes for U.S. federal income tax purposes, such additional Notes will have a separate "CUSIP" or "ISIN" number.

The form of the Notes of such series, as set forth in Exhibit A, may be modified to reflect such matters as so established in such Notes Supplemental Indenture.

SECTION 2.4 Form of Trustee's Certificate of Authentication. The Notes will have endorsed thereon a Trustee's certificate of authentication in substantially the following form:

This is one of the Notes referred to in the within-mentioned Indenture.

as Trustee

By:

Authorized Officer

Dated:

SECTION 2.5 Denominations. The Notes shall be issuable only in fully registered form, without coupons, and only in minimum denominations of \$2,000 (the "Minimum Denomination"), and integral multiples of \$1,000 in excess thereof.

SECTION 2.6 Execution, Authentication and Delivery and Dating. The Notes shall be executed on behalf of the Issuer by one Officer thereof. The signature of any such Officer on the Notes may be by electronic means or be manual or by facsimile.

Notes bearing the signature of an individual who was at any time an Officer of the Issuer shall bind the Issuer, notwithstanding that such individual has ceased to hold such office prior to the authentication and delivery of such Notes or did not hold such office at the date of such Notes.

At any time and from time to time after the execution and delivery of this Indenture, the Issuer may deliver Notes of any series executed by the Issuer to the Trustee for authentication; and the Trustee shall authenticate and deliver Notes of such series upon a written order of the Issuer in the form of an Officer's Certificate of the Issuer (an "Authentication Order"). Such Officer's Certificate shall specify the amount of Notes to be authenticated and the date on which the Notes are to be authenticated, the "CUSIP," "ISIN," "Common Code" or other similar identification numbers of such Notes, if any, and such other information as the Issuer may include or the Trustee may reasonably request.

All Notes shall be dated the date of their authentication.

No Note shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Note a certificate of authentication substantially in the form provided for herein executed by the Trustee by manual signature, and such certificate upon any Note shall be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder.

SECTION 2.7 Temporary Notes. Until definitive Notes are ready for delivery, the Issuer may prepare and upon receipt of an Authentication Order the Trustee shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of definitive Notes but may have variations that the Issuer considers appropriate for temporary Notes. If temporary Notes are issued, the Issuer will cause definitive Notes to be prepared without unreasonable delay. After the preparation of definitive Notes, the temporary Notes shall be exchangeable for definitive Notes upon surrender of the temporary Notes at the office or agency of the Issuer in a Place of Payment, without charge to the Holder. Upon surrender for cancellation of any one or more temporary Notes the Issuer shall execute and upon receipt of an Authentication Order the Trustee shall authenticate and deliver in exchange therefor a like principal amount of definitive Notes of authorized denominations. Until so exchanged the temporary Notes shall in all respects be entitled to the same benefits under this Indenture as definitive Notes of the same series and tenor.

SECTION 2.8 Registrar and Paying Agent. The Issuer shall cause to be kept at the Corporate Trust Office of the Trustee a register (the register maintained in such office and in any other office or agency of the Issuer in a Place of Payment being herein sometimes collectively referred to as the "Note Register") in which, subject to such reasonable regulations as it may prescribe, the Issuer shall provide for the registration of Notes and of transfers of Notes. The Issuer may have one or more co-registrars. The term "Note Registrar" includes any co-registrars.

The Issuer may have one or more additional paying agents, and the term “Paying Agent” shall include any additional Paying Agent.

The Issuer initially appoints the Trustee as “Note Registrar” and “Paying Agent” in connection with Notes of any series, until such time as it has resigned or a successor has been appointed. The Issuer may change the Paying Agent or Note Registrar for any series of Notes without prior notice to the Holders of Notes. The Issuer may enter into an appropriate agency agreement with any Note Registrar or Paying Agent not a party to this Indenture. Any such agency agreement shall implement the provisions of this Indenture that relate to such agent. The Issuer shall notify the Trustee in writing of the name and address of any such agent. If the Issuer fails to appoint or maintain a Note Registrar or Paying Agent, the Trustee shall act as such and shall be entitled to appropriate compensation therefor pursuant to Section 7.6. The Issuer or any wholly-owned Subsidiary of the Issuer may act as Paying Agent, Note Registrar or transfer agent.

Upon surrender for transfer of any Note at the office or agency of the Issuer in a Place of Payment, in compliance with all applicable requirements of this Indenture and applicable law, the Issuer shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Notes of the same series, of any authorized denominations and of a like aggregate principal amount.

At the option of the Holder, Notes may be exchanged for other Notes of the same series, of any authorized denominations and of a like tenor and aggregate principal amount, upon surrender of the Notes to be exchanged at such office or agency. Whenever any Notes are so surrendered for exchange, the Issuer shall execute, and the Trustee shall authenticate and deliver, the Notes that the Holder making the exchange is entitled to receive.

All Notes issued upon any transfer or exchange of Notes shall be the valid obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Notes surrendered upon such transfer or exchange.

Every Note presented or surrendered for transfer or exchange shall (if so required by the Issuer or the Trustee) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Issuer and the Note Registrar duly executed, by the Holder thereof or such Holder’s attorney duly authorized in writing.

No service charge shall be made for any registration, transfer or exchange of Notes, but the Issuer and/or Trustee may require payment of a sum sufficient to cover any transfer tax or other governmental charge that may be imposed in connection therewith.

The Issuer shall not be required (i) to issue, transfer or exchange any Note during a period beginning at the opening of business 15 Business Days before the day of the sending of a notice of redemption (or purchase) of Notes selected for redemption (or purchase) under Section 5.2(b) and ending at the close of business on the day of such sending, or (ii) to transfer or exchange any Note so selected for redemption (or purchase) in whole or in part.

SECTION 2.9 Mutilated, Destroyed, Lost and Stolen Notes. If a mutilated Note is surrendered to the Note Registrar or if the Holder of a Note claims that the Note has been lost, destroyed or wrongfully taken, the Issuer shall issue and the Trustee shall authenticate a replacement Note if the requirements of Section 8-405 of the Uniform Commercial Code are met, such that the Holder (a) satisfies the Issuer or the Trustee within a reasonable time after such Holder has notice of such loss, destruction or wrongful taking and the Note Registrar does not register a transfer prior to receiving such notification, (b) makes such request to the Issuer or the Trustee prior to the Note being acquired by a protected purchaser as defined in Section 8-303 of the Uniform Commercial Code (a “protected purchaser”) and (c) satisfies any other reasonable requirements of the Trustee. If required by the Trustee or the Issuer, such Holder shall furnish an indemnity bond sufficient in the judgment of (i) the Trustee to protect the Trustee and (ii) the Issuer to protect the Issuer, the Trustee, a Paying Agent and the Note Registrar from any loss that any of them may suffer if a Note is replaced.

In case any such mutilated, destroyed, lost or stolen Note has become or is about to become due and payable, the Issuer in its discretion may, instead of issuing a new Note, pay such Note.

Upon the issuance of any new Note under this Section 2.9, the Issuer may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Note issued pursuant to this Section 2.9 in lieu of any destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Issuer, whether or not the destroyed, lost or stolen Note shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and ratably with any and all other Notes duly issued hereunder.

The provisions of this Section 2.9 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes.

SECTION 2.10 Payment of Interest Rights Preserved. The Notes of a particular series shall bear interest payable on the dates and at the rate or rates specified with respect to that series. Unless otherwise provided pursuant to Section 2.3, the principal of and the interest on the Notes of any series, as well as any premium thereon in case of redemption thereof prior to maturity, shall be payable in the coin or currency of the United States of America that at the time is legal tender for public and private debt, at the office or agency of the Issuer maintained for that purpose in the Borough of Manhattan, The City of New York. Each Security shall be dated the date of its authentication. Interest on the Securities shall be computed on the basis of a 360-day year composed of twelve 30-day months, except as otherwise specified under Section 2.3 for Notes of any series. Interest on any Note that is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name that Note is registered at the close of business on the Regular Record Date for such interest.

Unless otherwise specified for Notes of any series in the applicable Notes Supplemental Indenture, as contemplated by Section 2.3, any interest on any Note that is payable, but is not punctually paid or duly provided for, on any Interest Payment Date (“**Defaulted Interest**”) shall forthwith cease to be payable to the registered Holder on the relevant Regular Record Date by virtue of having been such Holder; and such Defaulted Interest may be paid by the Issuer, at its election, as provided in clause (1) or clause (2) below:

(1) The Issuer may elect to make payment of any Defaulted Interest to the Persons in whose names the Notes are registered at the close of business on a Special Record Date for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Issuer shall notify the Trustee and Paying Agent in writing of the amount of Defaulted Interest proposed to be paid on each Note and the date of the proposed payment, and at the same time the Issuer shall deposit with the Trustee or Paying Agent an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements reasonably satisfactory to the Trustee or Paying Agent for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as provided in this clause (1). Thereupon the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 nor less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee and the Paying Agent of the notice of the proposed payment. The Trustee shall promptly notify the Issuer of such Special Record Date and, in the name and at the expense of the Issuer, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first-class postage prepaid, to each Holder at such Holder’s address as it appears in the Note Register, or sent electronically, not less than 10 days prior to such Special Record Date or otherwise in accordance with DTC procedures. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been so given, such Defaulted Interest shall be paid to the Persons in whose names the Notes are registered on such Special Record Date and shall no longer be payable pursuant to the following clause (2).

(2) The Issuer may make payment of any Defaulted Interest in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Notes may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Issuer to the Trustee and the Paying Agent of the proposed payment pursuant to this clause (2), such payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section 2.10, each Note delivered under this Indenture upon transfer of or in exchange for or in lieu of any other Note of the same series shall carry the rights to interest accrued and unpaid, and to accrue, that were carried by such other Note of such series.

SECTION 2.11 Persons Deemed Owners. The Issuer, the Parent Guarantor, the Trustee, the Paying Agent and any agent of any of them may treat the Person in whose name any Note is registered as the owner of such Note for the purpose of receiving payment of principal of (and premium, if any), and (subject to Section 2.10) interest on, such Note and for all other purposes whatsoever, whether or not such Note be overdue, and none of the Issuer, the Parent Guarantor, the Trustee, the Paying Agent nor any agent of any of them shall be affected by notice to the contrary.

SECTION 2.12 Cancellation. All Notes surrendered for payment, redemption, transfer, exchange or conversion shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee along with a written direction or cancellation order and, if not already cancelled, shall be promptly cancelled by it. The Issuer may at any time deliver to the Trustee for cancellation any Notes previously authenticated and delivered hereunder that the Issuer may have acquired in any manner whatsoever along with a written direction or cancellation order, and all Notes so delivered shall be promptly cancelled by the Trustee. No Notes shall be authenticated in lieu of or in exchange for any Notes cancelled as provided in this Section 2.12, except as expressly permitted by this Indenture. All cancelled Notes held by the Trustee shall be disposed of by the Trustee in accordance with its customary procedures (subject to the record retention requirements of the Exchange Act).

SECTION 2.13 Computation of Interest. Unless otherwise specified for Notes of any series in the applicable Notes Supplemental Indenture, as contemplated by Section 2.3, interest on the Notes shall be computed on the basis of a 360 day year consisting of twelve 30-day months.

SECTION 2.14 CUSIP Numbers, ISINs, etc. The Issuer in issuing the Notes may use “CUSIP” numbers, ISINs and “Common Code” numbers (if then generally in use), and if so, the Trustee may use the CUSIP numbers, ISINs and “Common Code” numbers in notices of redemption or exchange as a convenience to Holders; provided, however, that any such notice may state that no representation is made as to the correctness or accuracy of such numbers printed in the notice or on the Notes; that reliance may be placed only on the other identification numbers printed on the Notes; and that any redemption shall not be affected by any defect in or omission of such numbers. The Issuer should promptly notify the Trustee, in writing, of any change in any “CUSIP,” “ISIN” or “Common Code” number, but failure to so notify the Trustee shall not constitute a Default or Event of Default by the Issuer.

SECTION 2.15 Book-Entry Provisions for Global Notes.

(a) Each Global Note initially shall (i) be registered in the name of the Depositary for such Global Note or the nominee of such Depositary, in each case for credit to the account of an Agent Member, and (ii) be delivered to the Notes Custodian. Neither the Issuer nor any of its agents shall have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests of a Global Note, or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

(b) Members of, or participants in, the Depositary (“Agent Members”) shall have no rights under this Indenture with respect to any Global Note held on their behalf by the Depositary, or the Notes Custodian, or under such Global Notes. The Depositary may be treated by the Issuer, any other obligor upon the Notes, the Trustee and any agent of any of them as the absolute owner of the Global Notes for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Issuer, any other obligor upon the Notes, the Trustee or any agent of any of them from giving effect to any written certification, proxy or other authorization furnished by the Depositary or impair, as between the Depositary and its Agent Members, the operation of customary practices governing the exercise of the rights of a beneficial owner of any Note. The registered Holder of a Global Note may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action that a Holder is entitled to take under this Indenture or the Notes.

The Holder of any Global Note may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under this Indenture or the Notes.

(c) Transfers of a Global Note shall be limited to transfers of such Global Note in whole, but, subject to the immediately succeeding sentence, not in part, to the Depositary, its successors or their respective nominees. Interests of beneficial owners in a Global Note may not be transferred or exchanged for definitive Notes in physical form unless (i) the Issuer has consented thereto in writing, the Trustee having been notified of such consent, or such transfer or exchange is made pursuant to the next sentence, and (ii) such transfer or exchange is in accordance with the applicable rules and procedures of the Depositary and the provisions of Section 2.8. Definitive Notes shall be transferred to all beneficial owners in exchange for their beneficial interests in the relevant Global Note, if (i) the Depositary notifies the Issuer at any time that it is unwilling or unable to continue as Depositary for the Global Notes and a successor depositary is not appointed within 120 days; (ii) the Depositary ceases to be registered as a “Clearing Agency” under the Exchange Act and a successor depositary is not appointed within 120 days.

(d) In connection with any transfer or exchange of a portion of the beneficial interest in any Global Note to beneficial owners for definitive Notes pursuant to Section 2.15(c), the Note Registrar shall record on its books and records the date and a decrease in the principal amount of such Global Note in an amount equal to the beneficial interest in the Global Note being transferred, and the Issuer shall execute, and the Trustee shall authenticate and deliver, one or more definitive Notes of like tenor and principal amount of authorized denominations.

(e) In connection with a transfer of an entire Global Note to beneficial owners pursuant to Section 2.15(c), the applicable Global Note shall be deemed to be surrendered to the Trustee for cancellation, and the Issuer shall execute, and the Trustee shall authenticate and deliver, to such beneficial owner identified by the Depositary, in exchange for its beneficial interest in the applicable Global Note, an equal aggregate principal amount of definitive Notes of authorized denominations.

(f) The transfer and exchange of a Global Note or beneficial interests therein shall be effected through the Depositary, in accordance with this Indenture and the applicable rules and procedures therefor of the Depositary.

SECTION 2.16 Paying Agent to Hold Money in Trust. The Issuer shall require each Paying Agent other than the Trustee to agree in writing that the Paying Agent shall hold in trust for the benefit of the Holders or the Trustee all money held by the Paying Agent for the payment of principal of, premium, if any, and interest on the Notes. The Issuer at any time may require a Paying Agent to pay all money held by such Paying Agent to the Trustee. Upon payment over to the Trustee, the Paying Agent (if other than either of the Issuer) shall have no further liability for the money delivered to the Trustee. If the Issuer acts as Paying Agent, it shall segregate and hold in a separate trust fund for the benefit of the Holders all money held by it as Paying Agent.

SECTION 2.17 Lists of Holders of the Notes. The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders. If the Trustee is not the Note Registrar, the Issuer shall furnish to the Trustee at least seven Business Days before each Interest Payment Date and at such other times as the Trustee may request in writing a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Holders, including the aggregate principal amount of the Notes held by each Holder thereof.

ARTICLE III

Covenants

SECTION 3.1 Payment of Notes. The Issuer shall promptly pay the principal of, premium, if any, and interest on each series of Notes on the dates and in the manner provided in the Notes and in this Indenture. Principal, premium, if any, and interest shall be considered paid on the date due if by 12:00 p.m. (New York City time) on such date the Trustee or the Paying Agent holds in accordance with this Indenture money sufficient to pay all principal, premium, if any, and interest then due and the Trustee or the Paying Agent, as the case may be, is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture.

The Issuer shall pay interest on overdue principal at the rate specified therefor in the Notes.

Notwithstanding anything to the contrary contained in this Indenture, the Issuer may, to the extent it is required to do so by law, deduct or withhold income or other similar taxes imposed by the United States of America from principal or interest payments hereunder.

SECTION 3.2 Reports and Other Information. Each of the Issuer and the Parent Guarantor covenants to comply with Section 314(a) of the TIA insofar as it relates to information, documentations, and other reports which the Issuer or the Parent Guarantor may be required to file with the SEC pursuant to Section 13 or Section 15(d) of the Exchange Act, it being agreed that the Trustee shall have no obligation to monitor, confirm or determine, on a continuing basis or otherwise, the Issuer's or the Parent Guarantor's compliance with the covenants or to determine whether such reports have been filed.

SECTION 3.3 Compliance Certificate; Statement by Officers as to Default. The Issuer shall deliver to the Trustee, within 120 days after the end of each fiscal year of the Issuer ending after the date hereof, an Officer's Certificate (which need not comply with Section 12.2) stating that to the best knowledge of the signer thereof on behalf of the Issuer, the Issuer is or is not in default in the performance and observance of any of the terms, provisions and conditions of this Indenture (without regard to any period of grace or requirement of notice provided hereunder) and, if the Issuer (through its own action or omission or through the action or omission of the Parent Guarantor as applicable) shall be in default, specifying all such defaults and the nature and status thereof of which such signer may have knowledge. So long as any of the Notes are outstanding, the Issuer shall deliver to the Trustee, within 30 days upon any Officer becoming aware of any Default or Event of Default (unless such Default or Event of Default has been cured or waived within such 30 day period), an Officer's Certificate (which need not comply with Section 12.2) specifying such Default or Event of Default and what action the Issuer is taking or proposes to take with respect thereto.

ARTICLE V

Redemption of Notes; Sinking Fund

SECTION 5.1 Applicability of Article. The Issuer may redeem the Notes of any series issued hereunder on and after the dates and in accordance with this Article V and the terms established for such series pursuant to Section 2.3.

SECTION 5.2 Election to Redeem; Notice to Trustee of Optional and Mandatory Redemptions.

(a) If the Issuer elects to redeem less than all of the Notes of any series, the Issuer should furnish to the Trustee, at least five Business Days for Global Notes and 10 calendar days for definitive Notes (or such shorter period as shall be reasonably satisfactory to the Trustee) before notice of redemption is required to be sent or caused to be sent to Holders pursuant to Section 5.3, an Officer's Certificate setting forth (i) the paragraph or subparagraph of such Note and/or Section of this Indenture pursuant to which the redemption shall occur, (ii) the Redemption Date, (iii) the principal amount of the Notes to be redeemed and (iv) the Redemption Price, but failure to so notify the Trustee shall not invalidate any notice given in accordance with Section 5.3, and shall not constitute a Default or Event of Default by the Issuer. The Issuer may also include a request in such Officer's Certificate that the Trustee give the notice of redemption in the Issuer's name and at its expense and setting forth the information to be stated in such notice as provided in Section 5.3. The Issuer shall deliver to the Trustee such documentation and records as shall enable the Trustee to select the Notes to be redeemed pursuant to this Section 5.2.

(b) Unless otherwise specified for Notes of any series in the applicable Notes Supplemental Indenture, as contemplated by Section 2.3, if less than all of the Notes are to be redeemed at any time, the Trustee shall select Notes for redemption in compliance with the requirements of the depository and the principal national securities exchange, if any, on which such Notes are listed (so long as the Trustee knows of such listing), or if such Notes are not so listed, in accordance with the applicable procedures of the depository on a pro rata basis, by lot or by such other method as the Trustee shall deem fair and appropriate (and in such manner as complies with applicable legal requirements) in integral multiples of \$1,000; provided, that the selection of Notes for redemption shall not result in a Holder with a principal amount of Notes less than the Minimum Denomination. If any Note is to be purchased or redeemed in part only, the notice of purchase or redemption relating to such Note shall state the portion of the principal amount thereof that has been or is to be purchased or redeemed. A new Note in principal amount equal to the unredeemed portion thereof will be issued in the name of the Holder thereof upon cancellation of the original Note. On and after the applicable Redemption Date, interest will cease to accrue on Notes or portions thereof called for redemption so long as the Issuer has deposited with the Paying Agent funds sufficient to pay the principal of and premium, if any, plus accrued and unpaid interest, if any, on the Notes to be redeemed.

(c) The Trustee shall promptly notify the Issuer in writing of the Notes selected for redemption and, in the case of any Notes selected for partial redemption, the principal amount thereof to be redeemed.

(d) For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to redemption of Notes shall relate, in the case of any Note redeemed or to be redeemed only in part, to the portion of the principal amount of such Note which has been or is to be redeemed.

SECTION 5.3 Notice of Redemption. Unless otherwise specified for Notes of any series in the applicable Notes Supplemental Indenture, as contemplated by Section 2.3, the Issuer shall give or cause to be given in accordance with the procedures of the Depository, with a copy to the Trustee, a notice of redemption to each Holder whose Notes are to be redeemed not less than 10 nor more than 60 days prior to a date fixed for redemption (a "Redemption Date"). At the Issuer's written request delivered at least 15 days (or such shorter period as shall be reasonably satisfactory to the Trustee) prior to the Redemption Date, the Trustee may give notice of redemption in the Issuer's name and at the Issuer's expense; provided, however, that redemption notices may be given more than 60 days prior to a Redemption Date, but not more than a year, prior to such event, if the notice is issued in connection with Article VIII, or if the redemption date is delayed as provided for in the applicable Notes Supplemental Indenture.

All notices of redemption shall be prepared by the Issuer and shall state:

(a) the Redemption Date,

- (b) the Redemption Price (or the formula by which the Redemption Price will be determined),
- (c) if less than all outstanding Notes are to be redeemed, the identification of the particular Notes (or portion thereof) to be redeemed, as well as the aggregate principal amount of Notes to be redeemed and the aggregate principal amount of Notes to be outstanding after such partial redemption,
- (d) in case any Note is to be redeemed in part only, the notice which relates to such Note shall state that on and after the Redemption Date, upon surrender of such Note, the Holder shall receive, without charge, a new Note or Notes of authorized denominations for the principal amount thereof remaining unredeemed,
- (e) that on the Redemption Date, the Redemption Price (and accrued interest to, but excluding, the Redemption Date payable as provided in Section 5.5, if any) shall become due and payable upon each such Note, or the portion thereof, to be redeemed, and, unless the Issuer defaults in making the redemption payment, that interest on Notes called for redemption (or the portion thereof) shall cease to accrue on and after said date,
- (f) the place or places where such Notes are to be surrendered for payment of the Redemption Price and accrued interest, if any,
- (g) the name and address of the Paying Agent,
- (h) that Notes called for redemption must be surrendered to the Paying Agent to collect the Redemption Price, and
- (i) the CUSIP number, and that no representation is made as to the accuracy or correctness of the CUSIP number, if any, listed in such notice or printed on the Notes.

SECTION 5.4 Deposit of Redemption Price. Prior to 12:00 p.m. New York City time, on any Redemption Date, the Issuer shall deposit with the Trustee or with a Paying Agent (or, if the Issuer is acting as its own Paying Agent, segregate and hold in trust as provided in Section 2.16) an amount of money sufficient to pay the Redemption Price of, and accrued interest on, all the Notes which are to be redeemed on that date.

SECTION 5.5 Notes Payable on Redemption Date. Notice of redemption having been given as aforesaid, the Notes so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified (together with accrued interest, if any, to, but excluding, the Redemption Date), and from and after such date (unless the Issuer shall default in the payment of the Redemption Price and accrued interest, if any, to, but excluding, the Redemption Date) such Notes shall cease to bear interest. Upon surrender of any such Note for redemption in accordance with said notice, such Note shall be paid by the Issuer at the Redemption Price, together with accrued interest, if any, to, but excluding, the Redemption Date (subject to the rights of Holders of record on the relevant Regular Record Date to receive interest due on the relevant Interest Payment Date).

If any Note called for redemption shall not be so paid upon surrender thereof for redemption, the principal (and premium, if any) shall, until paid, bear interest from the Redemption Date at the rate borne by the Notes.

If a Redemption Date is on or after a Regular Record Date and on or before the related Interest Payment Date, the accrued and unpaid interest, if any, shall be paid to the Person in whose name the Note is registered at the close of business on such Regular Record Date, and no further interest shall be payable to Holders whose Notes shall be subject to redemption by the Issuer.

SECTION 5.6 Notes Redeemed in Part. In connection with any Notes held in physical form, any Note which is to be redeemed only in part (pursuant to the provisions of this Article) shall be surrendered at the office or agency of the Issuer maintained for such purpose pursuant to Section 2.8 (with, if the Issuer so requires due endorsement by, or a written instrument of transfer in form satisfactory to the Issuer duly executed by, the Holder thereof or such Holder's attorney duly authorized in writing), and the Issuer shall execute, and the Trustee upon receipt of an Authentication Order in accordance with Section 2.6 and the other deliverables required of the Issuer shall authenticate and make available for delivery to the Holder of such Note at the expense of the Issuer, a new Note or Notes, of any authorized denomination as requested by such Holder, in an aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Note so surrendered; provided that each such new Note shall be in the Minimum Denomination and integral multiples of \$1,000 in excess thereof. In the case of any Note held in global form, the records of the Trustee and/or Note Registrar shall reflect that the Note has been redeemed in part.

SECTION 5.7 Sinking Fund.

The provisions of Sections 5.7, 5.8 and 5.9 shall be applicable to any sinking fund for the retirement of Notes of a series, except as otherwise specified as contemplated by Section 2.3 for Notes of such series.

The minimum amount of any sinking fund payment provided for by the terms of Notes of any series is herein referred to as a "mandatory sinking fund payment," and any payment in excess of such minimum amount provided for by the terms of Notes of any series is herein referred to as an "optional sinking fund payment". If provided for by the terms of Notes of any series, the cash amount of any sinking fund payment may be subject to reduction as provided in Section 5.8. Each sinking fund payment shall be applied to the redemption of Notes of any series as provided for by the terms of Notes of such series.

SECTION 5.8 Satisfaction of Sinking Fund Payments with Securities.

The Issuer (i) may deliver Outstanding Notes of a series (other than any Notes previously called for redemption) and (ii) may apply as a credit Notes of a series that have been redeemed either at the election of the Notes pursuant to the terms of such Notes or through the application of permitted optional sinking fund payments pursuant to the terms of such Notes, in each case in satisfaction of all or any part of any sinking fund payment with respect to the Notes of such series required to be made pursuant to the terms of such Notes as provided for by the terms of such series; provided that such Notes have not been previously so credited. Such Securities shall be received and credited for such purpose by the Trustee and the Security Registrar at the Redemption Price specified in such Notes for redemption through operation of the sinking fund and the amount of such sinking fund payment shall be reduced accordingly.

SECTION 5.9 Redemption of Securities for Sinking Fund.

Not less than 30 days prior to each sinking fund payment date for any series of Notes, the Issuer will deliver to the Trustee and the Paying Agent an Officers' Certificate specifying the amount of the next ensuing sinking fund payment for that series pursuant to the terms of the series, the portion thereof, if any, that is to be satisfied by delivering and crediting Notes of that series pursuant to Section 5.8 and the basis for such credit and will, together with such Officers' Certificate, deliver to the Trustee any Notes to be so delivered. Not less than 15 days before each such sinking fund payment date the Trustee shall select the Securities to be redeemed upon such sinking fund payment date in the manner specified in Section 5.3 and cause notice of the redemption thereof to be given in the name of and at the expense of the Issuer in the manner provided in Section 5.3. Such notice having been duly given, the redemption of such Securities shall be made upon the terms and in the manner stated in Section 5.5.

ARTICLE VI

Defaults and Remedies

SECTION 6.1 Events of Default. Each of the following is an Event of Default:

- (i) a default in any payment of interest on any Note when due and payable, continued for 30 days;
- (ii) a default in the payment of principal or premium, if any, on any Note when due at its Stated Maturity, upon optional redemption, upon required purchase, upon acceleration or otherwise;
- (iii) a failure by the Issuer to deposit any sinking fund payment when due, in respect of any Note of such series;
- (iv) the failure by the Issuer or the Parent Guarantor to comply for 90 days after receipt of the written notice referred to below with any of its obligations, covenants or agreements (other than a default pursuant to clause (i) or clause (ii) of this Section 6.1) contained in the Notes or this Indenture;
- (v) the Issuer or the Parent Guarantor pursuant to or within the meaning of any Bankruptcy Law:
 - (A) commences a voluntary case;
 - (B) consents to the entry of an order for relief against it in any voluntary case;

- (C) consents to the appointment of a Custodian of it or for any substantial part of its property; or
- (D) makes a general assignment for the benefit of its creditors;
- (E) or takes any comparable action under any foreign laws relating to insolvency;
- (vi) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:
 - (A) is for relief against the Issuer or the Parent Guarantor in an involuntary case;
 - (B) appoints a Custodian of the Issuer or the Parent Guarantor or for any substantial part of its property; or
 - (C) orders the winding up or liquidation of the Issuer or the Parent Guarantor;

or any similar relief is granted under any foreign laws and the order or decree remains unstayed and in effect for 60 days; or

(vii) the Guarantee ceases to be in full force and effect (except as contemplated by the terms thereof or of this Indenture), or is declared null and void in a judicial proceeding, or any the Parent Guarantor denies in writing that it has any further liability under its Guarantee or gives written notice to such effect, other than by reason of the termination or discharge of this Indenture or the release of any such Guarantee in accordance with this Indenture, and such Default continues for 10 days.

The foregoing will constitute Events of Default whatever the reason for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

However, a default under Section 6.1(iv) will not constitute an Event of Default until the Trustee or the Holders of at least 30.0% in principal amount of outstanding Notes (which contain such defaults, or such other percentage of principal of outstanding Notes containing such default as specified for Notes of any series in the applicable Notes Supplemental Indenture) notify in writing the Issuer of the default and such default is not cured within the times specified in Section 6.1(iv) after receipt of such notice.

The Trustee shall not be charged with actual knowledge of any Default or Event of Default with respect to the Notes unless a written notice of such Default or Event of Default shall have been given by the Issuer or any Holder of Notes and received by a Responsible Officer of the Trustee at its Corporate Trust Office specified in this Indenture and such notice references the Notes and this Indenture and states that it is a "Notice of Default."

SECTION 6.2 Acceleration. If an Event of Default (other than an Event of Default specified in clause (v) or (vi) of Section 6.1 with respect to the Issuer) with respect to the Notes of any series at the time outstanding occurs and is continuing, unless otherwise specified for Notes of any series in the applicable Notes Supplemental Indenture, as contemplated by Section 2.3, the Trustee or the Holders of at least 30.0% in principal amount of outstanding Notes of any series (which contain such defaults) by written notice to the Issuer (and if given by the Holders, the Trustee) may declare the principal of, premium, if any, and accrued but unpaid interest on all the Notes of that series to be due and payable. Upon such a declaration, such principal and interest will be due and payable immediately. If an Event of Default arising from Section 6.1(v) or Section 6.1(vi), with respect to the Issuer, occurs, unless otherwise specified for Notes of any series in the applicable Notes Supplemental Indenture, as contemplated by Section 2.3, the principal of, premium, if any, and interest on all the Notes of any series (which contain such defaults) will become immediately due and payable without any declaration or other act on the part of the Trustee or any Holders.

SECTION 6.3 Other Remedies. If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal of or interest on the Notes (which contain such defaults) or to enforce the performance of any provision of the Notes, this Indenture (including sums owed to the Trustee and its agents and counsel) and the Guarantee.

The Trustee may maintain a proceeding even if it does not possess any of the Notes (which contain such defaults) or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative.

SECTION 6.4 Waiver of Past Defaults. The Holders of a majority in aggregate principal amount of the then outstanding Notes of any series (which contain such defaults) by notice to the Trustee may, on behalf of the Holders of all of the Notes of such series (which contain such defaults), waive, rescind or cancel any declaration of an existing or past Default or Event of Default and its consequences under this Indenture if such waiver, rescission or cancellation would not conflict with any judgment or decree, except a continuing Default or Event of Default in the payment of interest on, or the principal of, the applicable Notes (other than such nonpayment of principal or interest that has become due as a result of such acceleration). Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

SECTION 6.5 Control by Majority. The Holders of a majority in principal amount of outstanding Notes of any series (which contain the applicable default) may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. The Trustee, however, may refuse to follow any direction that conflicts with law or this Indenture or that the Trustee determines is unduly prejudicial to the rights of any other Holder or that would involve the Trustee in personal liability (it being understood that the Trustee has no duty to determine whether any such direction is prejudicial to any Holder). Prior to taking any action under this Indenture, the Trustee will be entitled to security or indemnification satisfactory to the Trustee in its sole discretion against all losses, liabilities and expenses that may be caused by taking or not taking such action.

SECTION 6.6 Limitation on Suits. In case an Event of Default occurs and is continuing, the Trustee will be under no obligation to exercise any of the rights or powers under this Indenture at the request or direction of any of the Holders unless such Holders have provided the Trustee with indemnity or security satisfactory to it against any loss, liability or expense. Except to institute suit for the enforcement of payment of principal and interest on any Note of such Holder or after the respective Stated Maturity for such principal or interest payment dates for such interest expressed in such Note, no Holder may pursue any remedy with respect to this Indenture or the Notes unless:

- (i) such Holder (which holds Notes containing such default) has previously given the Trustee written notice that an Event of Default is continuing;
- (ii) Holders of at least 30.0% of the aggregate principal amount of the outstanding Notes of any series (which contain such defaults, or such other percentage of principal of outstanding Notes containing such default as specified for Notes of any series in the applicable Notes Supplemental Indenture) have requested in writing that the Trustee pursue the remedy;
- (iii) such Holders have offered, and if requested, provided to, the Trustee security or indemnity reasonably satisfactory to it in respect of any loss, liability or expense;
- (iv) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security or indemnity; and
- (v) the Holders of a majority in principal amount of the outstanding Notes of any series (which contain such default) have not given the Trustee a written direction inconsistent with such request within such 60-day period.

SECTION 6.7 Unconditional Right to Receive Principal and Interest. Notwithstanding any other provision in this Indenture, the Holder of any Note shall have the right, which is absolute and unconditional, to receive payment of the principal of and interest, if any, on such Note on the Maturity of such Note, including the Stated Maturity expressed in such Note (or, in the case of redemption, on the Redemption Date) and to institute suit for the enforcement of any such payment, and such rights shall not be impaired without the consent of such Holder.

SECTION 6.8 Collection Suit by Trustee. If an Event of Default specified in Section 6.1(i) or (ii) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Issuer for the whole amount then due and owing (together with interest on any unpaid interest to the extent lawful) and the amounts provided for in Section 7.6.

SECTION 6.9 Trustee May File Proofs of Claim. The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders allowed in any judicial proceedings relative to the Issuer, its Subsidiaries or their respective creditors or properties and, unless prohibited by law or applicable regulations, may vote on behalf of the Holders of Notes of any series (pursuant to the written direction of Holders of a majority in principal amount of the then outstanding Notes of such series) in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee under Section 7.6. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan or reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in such proceeding.

SECTION 6.10 Priorities. The Trustee shall pay out any money or property received by it in the following order:

First: to the Trustee for amounts due under Section 7.6;

Second: to Holders for amounts due and unpaid on the Notes for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest, respectively; and

Third: to the Issuer or, to the extent the Trustee receives any amount for the Parent Guarantor, to the Parent Guarantor as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10. At least 15 days before such record date, the Issuer (or the Trustee) shall send to each Holder and the Trustee a notice that states the record date, the payment date and amount to be paid.

SECTION 6.11 Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee or a suit instituted by Holders of more than 10.0% in outstanding principal amount of the Notes of any series, or to any suit instituted by any Holder for the enforcement of the payment of the principal of, or premium, if any, or interest on any Note of such series, on or after the respective due dates expressed in such Note or established pursuant to this Indenture.

ARTICLE VII

Trustee

SECTION 7.1 Duties of Trustee.

(a) If a Default or an Event of Default actually known to a Responsible Officer of the Trustee has occurred and is continuing, subject to the protections of this Article 7, the Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in its exercise as a prudent Person would exercise or use under the circumstances in the conduct of such Person's own affairs; provided that if an Event of Default occurs and is continuing, the Trustee shall not be under any obligation to exercise any of the rights or powers under this Indenture, the Notes and the Guarantee at the request or direction of any of the Holders unless such Holders have offered, and if requested, provided to, the Trustee security or indemnity satisfactory to the Trustee in its sole discretion against any loss, liability or expense it may incur.

(b) Except during the continuance of an Event of Default of which a Responsible Officer has actual knowledge, the Trustee:

(i) undertakes to perform such duties and only such duties as are expressly and specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of gross negligence or bad faith on its part, may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee under this Indenture, the Notes and the Guarantee, as applicable. However, in the case of any such certificates or opinions which by any provisions hereof are specifically required to be furnished to the Trustee, the Trustee shall examine such certificates and opinions to determine whether or not they conform to the requirements of this Indenture, the Notes and the Guarantee as the case may be (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee shall not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(i) this Section 7.1(c) does not limit the effect of Section 7.1(b);

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer or Responsible Officers unless it is proved in a final non-appealable decision of a court of competent jurisdiction that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it from the Holders of a majority in principal amount of outstanding Notes of any series pursuant to Section 6.5.

(d) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuer.

(e) Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(f) No provision of this Indenture, the Notes or the Guarantee shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or thereunder or in the exercise of any of its rights or powers, if it shall have reasonable grounds to believe that repayment of such funds or indemnity satisfactory to it against such risk or liability is not reasonably assured to it.

(g) Every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 7.1.

(h) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders unless such Holders shall have offered, and if requested, provided to, the Trustee security or indemnity satisfactory to it against the losses, costs, expenses (including reasonable attorneys' fees and expenses) and liabilities that might be incurred by it in compliance with such request or direction or such exercise.

SECTION 7.2 Rights of Trustee.

(a) The Trustee may conclusively rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, notice, request, direction, consent, order, bond or any other paper or document believed by it to be genuine and to have been signed or presented by the proper Person or Persons. The Trustee need not investigate any fact or matter stated in such document.

(b) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel or both, which shall conform to the provisions of Section 12.3. The Trustee shall be protected and shall not be liable for any action it takes or omits to take in good faith in reliance on an Officer's Certificate or Opinion of Counsel or both.

(c) The Trustee may act through its attorneys, custodians, nominees and agents and shall not be responsible for the misconduct or negligence of or for the supervision of any agent, custodians, nominees or attorney appointed with due care. No Depository shall be deemed to be an agent of the Trustee and the Trustee shall not be responsible for any act or omission by any Depository.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers, provided that such conduct does not constitute willful misconduct or negligence as determined in a final non-appealable decision of a court of competent jurisdiction.

(e) The Trustee may consult with counsel of its selection, and the advice or Opinion of Counsel shall be full and complete authorization and protection from liability in respect to any action taken, omitted or suffered by it hereunder or under the Notes and the Guarantee in good faith and in accordance with the advice or opinion of such counsel.

(f) The Trustee shall not be bound to make any investigation into any statement, warranty or representation, or the facts or matters stated in any resolution, certificate, statement, instrument, opinion, notice, request, direction, consent, order, bond or other paper or document made or in connection with this Indenture; moreover, the Trustee shall not be bound to make any investigation into (i) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein, (ii) the occurrence of any default, or the validity, enforceability, effectiveness or genuineness of this Indenture or any other agreement, instrument or document, or (iii) the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(g) [Reserved].

(h) In no event shall the Trustee be responsible or liable for special, indirect, incidental, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(i) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be compensated, reimbursed and indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder.

(j) The Trustee may request that the Issuer deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture.

(k) The Trustee shall not have any duty (i) to see to any recording, filing, or depositing of this Indenture or any agreement referred to herein, or to see to the maintenance of any such recording or filing or depositing or to any rerecording, re-filing or redepositing of any thereof or (ii) to see to any insurance.

(l) The Trustee is not responsible for monitoring the performance by any third party of their duties or for their failure to perform.

(m) Nothing herein shall be construed to impose an obligation on the part of the Trustee to monitor, recalculate, evaluate or verify any report, certificate or information received from the Issuer or any other person (unless and except to the extent otherwise expressly set forth herein), or to monitor, verify or independently determine compliance by the Issuer with the terms hereof.

(n) The permissive rights of the Trustee enumerated in this Indenture shall not be construed as a duty.

SECTION 7.3 Individual Rights of Trustee.

(a) Each of the Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuer, the Parent Guarantor or their Affiliates with the same rights it would have if it were not Trustee. Any Paying Agent, Note Registrar, co-registrar or co-Paying Agent may do the same with like rights. However, the Trustee must comply with Section 7.9.

(b) In addition, the Trustee shall be permitted to engage in transactions with the Issuer; provided, however, that if the Trustee acquires any conflicting interest the Trustee must (i) eliminate such conflict within 90 days of acquiring such conflicting interest, (ii) apply to the SEC for permission to continue acting as Trustee or (iii) resign.

(c) To the extent permitted by applicable law, the Trustee shall not be deemed to have a conflicting interest by virtue of being a trustee under this Indenture with respect to the Notes, or a trustee under any other indenture between the Issuer and the Trustee.

SECTION 7.4 Disclaimer. The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture, the Notes or the Guarantee, it shall not be accountable for the Issuer's use of the Notes or the proceeds from the Notes, and it shall not be responsible for any statement of the Issuer in this Indenture or in any document issued in connection with the sale of the Notes or in the Notes other than the Trustee's certificate of authentication or for the use or application of any funds received by any Paying Agent other than the Trustee.

SECTION 7.5 Notice of Defaults. If a Default occurs and is continuing and a Responsible Officer of the Trustee has received written notice thereof, the Trustee shall deliver to each Holder notice of the Default within 90 days after it is known to the Trustee. Except in the case of a Default in the payment of principal of, or premium (if any) or interest on, any Note, the Trustee may withhold notice if and to the extent the Trustee in good faith determines that withholding notice is in the interests of the Holders of the Notes.

SECTION 7.6 Compensation and Indemnity. The Issuer shall pay to the Trustee (acting in any capacity hereunder) from time to time such compensation for their services as the Issuer and the Trustee (and any agent, as applicable) shall agree in writing from time to time. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuer shall reimburse the Trustee upon request for all reasonable out-of-pocket expenses incurred or made by the Trustee (acting in any capacity hereunder), including, but not limited to, costs of collection, costs of preparing and reviewing reports, certificates and other documents, costs of preparation and mailing of notices to Holders and reasonable costs of counsel, in addition to the compensation for its services. Such expenses shall include the reasonable compensation and expenses, disbursements and advances of the Trustee's agents, counsel, accountants and experts. The Issuer shall indemnify the Trustee or any predecessor Trustee in each of its capacities hereunder (including, but not limited to, Paying Agent and Note Registrar), and each of their officers, directors, employees, counsel and agents, against any and all loss, liability or expense (including, but not limited to, reasonable attorneys' fees and expenses) incurred by it in connection with the administration of this trust and the performance of their duties hereunder and under the Notes and the Guarantee, including the costs and expenses of any action, claim or suit enforcing this Indenture (including this Section 7.6), the Notes and the Guarantee and of defending itself against any claims (whether asserted by any Holder, the Issuer or otherwise). The Trustee shall notify the Issuer promptly of any claim for which it may seek indemnity, provided that failure by the Trustee to so notify the Issuer shall not relieve the Issuer of its obligations hereunder. The Issuer shall defend such claim and the Trustee may have separate counsel and the Issuer shall pay the reasonable fees and expenses of such counsel. The Issuer need not reimburse any expense or indemnify against any loss, liability or expense incurred by the Trustee as a result of its own willful misconduct, negligence or bad faith.

To secure the Issuer's payment obligations in this Section 7.6, the Trustee shall have a lien prior to the Notes on all money or property held or collected by the Trustee other than money or property held in trust to pay principal of and interest on particular Notes. The right of the Trustee to receive payment of any amounts due under this Section 7.6 shall not be subordinate to any other liability or indebtedness of the Issuer.

The Issuer's obligations pursuant to this Section 7.6 and any lien arising hereunder shall survive the satisfaction and discharge of this Indenture and the resignation or removal of the Trustee. When the Trustee incurs expenses after the occurrence of a Default specified in Section 6.1(v) or (vi) with respect to the Issuer, the expenses are intended to constitute expenses of administration under any Bankruptcy Law.

Pursuant to Section 10.1, the obligations of the Issuer hereunder are jointly and severally guaranteed by the Parent Guarantor.

SECTION 7.7 Replacement of Trustee. The Trustee may resign at any time upon at least 30 days' notice by so notifying the Issuer in writing and the retiring or resigning Trustee shall have no liability or responsibility for the action or inaction of any successor Trustee. The Holders of a majority in principal amount of the Notes of any series at such time outstanding may remove the Trustee by so notifying the Issuer and the Trustee in writing and may appoint a successor Trustee with respect to the Notes of such series. The Issuer shall remove the Trustee if:

- (i) the Trustee fails to comply with Section 7.9;
- (ii) the Trustee is adjudged bankrupt or insolvent;
- (iii) a receiver or other public officer takes charge of the Trustee or its property; or
- (iv) the Trustee otherwise becomes incapable of acting.

If the Trustee resigns or is removed by the Issuer or by the Holders of a majority in principal amount of the Notes of any series and such Holders do not reasonably promptly appoint a successor Trustee, or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the "retiring Trustee"), the Issuer shall promptly appoint a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall send a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, subject to the lien provided for in Section 7.6. All costs reasonably incurred in connection with any such resignation or removal hereunder shall be borne by the Issuer.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee at the expense of the Issuer or the Holders of at least 10.0% in principal amount of the Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee fails to comply with Section 7.9, unless the Trustee's duty to resign is stayed, any Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

Notwithstanding the replacement of the Trustee pursuant to this Section 7.7, the Issuer's obligations under Section 7.6 shall continue for the benefit of the retiring Trustee.

SECTION 7.8 Successor Trustee by Merger. If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation without any further act shall be the successor Trustee.

In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture, any of the Notes shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated, any successor to the Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Notes or in this Indenture provided that the certificate of the Trustee shall have.

SECTION 7.9 Eligibility; Disqualification. The Trustee shall at all times satisfy the requirements of Section 310(a) of the TIA. The Trustee shall have a combined capital and surplus of at least \$50 million as set forth in its most recent filed annual report of condition. The Trustee shall comply at all times with Section 310(b) of the TIA.

SECTION 7.10 Limitation on Duty of Trustee. The Trustee shall not have any duty to ascertain or inquire as to the performance or observance of any of the terms of this Indenture, the Notes and the Guarantee by the Issuer, the Parent Guarantor or any other Person.

SECTION 7.11 Preferential Collection of Claims Against Issuer. The Trustee shall comply with Section 311(a) of the TIA, excluding any creditor relationship described in Section 311(b) of the TIA. A Trustee who has resigned or been removed shall be subject to Section 311(a) of the TIA to the extent included therein.

SECTION 7.12 Reports by the Trustee. Within 60 days after May 15 in each year, the Trustee shall transmit by mail to all Holders, as their names and addresses appear on the register kept by the Registrar, a brief report dated as of such May 15, in accordance with, and to the extent required under, Section 313 of the TIA.

A copy of each report at the time of its mailing to Holders of any series of Notes shall be filed with the SEC and each national securities exchange on which the Notes of that series are listed. The Issuer shall promptly notify the Trustee in writing when Notes of any series are listed on any national securities exchange.

ARTICLE VIII

Discharge of Indenture, Defeasance and Covenant Defeasance

SECTION 8.1 Discharge of Liability on Securities. This Indenture and all the Notes will be discharged and will cease to be of further effect (except as to surviving rights of registration of transfer or exchange of Notes and certain rights of the Trustee and the Issuer's obligations with respect thereto, as expressly provided for in this Indenture) when:

(a) either (i) all the Notes theretofore authenticated and delivered (except Notes which have been replaced or paid pursuant to Section 2.9 and Notes for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from such trust) have been delivered to the Trustee for cancellation or (ii) all of the Notes not previously delivered to the Trustee for cancellation (a) have become due and payable, (b) will become due and payable at their Stated Maturity within one year or (c) have been called for redemption or are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer, and the Issuer or the Parent Guarantor has irrevocably deposited or caused to be deposited with the Trustee money or U.S. Government Obligations in an amount sufficient to pay and discharge the entire Indebtedness on the Notes not theretofore delivered to the Trustee for cancellation, for principal of, premium, if any, and interest on the Notes to the date of deposit (in the case of Notes that have become due and payable), redemption or their Stated Maturity, as the case may be;

(b) the Issuer or the Parent Guarantor have paid all other sums then due and payable under this Indenture; and

(c) the Issuer has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel stating that all conditions precedent under this Indenture relating to the satisfaction and discharge of this Indenture have been complied with; provided that any such counsel may rely on any Officer's Certificate as to matters of fact (including as to compliance with the foregoing clauses (a) and (b)).

The Notes of any applicable series will be discharged and will cease to be of further effect (except as to surviving rights of registration of transfer or exchange of Notes of such series and certain rights of the Trustee and the Issuer's obligations with respect thereto, as expressly provided for in this Indenture) when:

(a) either (i) all the Notes of such series theretofore authenticated and delivered (other than Notes pursuant to Section 2.9 which have been replaced or paid and Notes of such series for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from such trust) have been delivered to the Trustee for cancellation or (ii) all of the Notes of such series not previously delivered to the Trustee for cancellation (a) have become due and payable, (b) will become due and payable at their Stated Maturity within one year or (c) have been called for redemption or are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer, and the Issuer or the Parent Guarantor has irrevocably deposited or caused to be deposited with the Trustee money or U.S. Government Obligations in an amount sufficient to pay and discharge the entire Indebtedness on the Notes of such series not theretofore delivered to the Trustee for cancellation, for principal of, premium, if any, and interest on the Notes of such series to the date of deposit (in the case of Notes that have become due and payable), redemption or their Stated Maturity, as the case may be; and

(b) the Issuer has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel stating that all conditions precedent under this Indenture relating to the satisfaction and discharge of the applicable series of Notes have been complied with; provided that any such counsel may rely on any Officer's Certificate as to matters of fact (including as to compliance with the foregoing clause (a)).

SECTION 8.2 Option to Elect Defeasance and Covenant Defeasance. The Issuer or the Parent Guarantor may elect, at its option at any time, to have Section 8.3 or Section 8.4 applied to any Notes or any series of Notes, as the case may be, designated pursuant to Section 2.3 as being defeasible pursuant to such Sections 8.3 or 8.4, in accordance with any applicable requirements provided pursuant to Section 2.3 and upon compliance with the conditions set forth below in this Article. Any such election shall be evidenced by a resolution of the Board or in another manner specified as contemplated by Section 2.3 for such Notes.

SECTION 8.3 Defeasance and Discharge.

Upon the Issuer's or the Parent Guarantor's exercise of its option (if any) to have this Section applied to any Notes or any series of Notes, as the case may be, the Issuer or the Parent Guarantor shall be deemed to have been discharged from its obligations with respect to such Notes as provided in this Section on and after the date the conditions set forth in Section 8.5 are satisfied (hereinafter called "Defeasance"). For this purpose, such Defeasance means that the Issuer or the Parent Guarantor shall be deemed to have paid and discharged the entire indebtedness represented by such Notes and to have satisfied all its other obligations under such Notes and this Indenture insofar as such Notes are concerned (and the Trustee, at the expense and written request of the Issuer, shall execute proper instruments acknowledging the same), subject to the following which shall survive until otherwise terminated or discharged hereunder: (1) the rights of Noteholders to receive, solely from the trust fund described in Section 8.5 and as more fully set forth in such Section, payments in respect of the principal of and any premium and interest on such Securities when payments are due, (2) the Issuer's or the Parent Guarantor's obligations with respect to such Securities under Sections 2.7, 2.9, 2.15(c), and 3.1, (3) the rights, protections, powers, trusts, duties, indemnities and immunities of the Trustee hereunder and (4) this Article VIII. Subject to compliance with this Article, the Issuer or the Parent Guarantor may exercise its option (if any) to have this Section applied to any Notes notwithstanding the prior exercise of its option (if any) to have Section 8.4 applied to such Notes.

SECTION 8.4 Covenant Defeasance. Upon the Issuer's or the Parent Guarantor's exercise of its option (if any) to have this Section applied to any Notes or any series of Notes, as the case may be, (1) the Issuer or the Parent Guarantor shall be released from its obligations under Article III, any covenants provided pursuant to Sections 2.3 or 9.1(viii) for the benefit of the holders of such Notes and (2) the occurrence of any event specified in Section 6.1(iv) (with respect to any of Article III, and any such covenants provided pursuant to Sections 2.3 or 9.1(viii) shall be deemed not to be or result in an Event of Default, in each case with respect to such Securities as provided in this Section on and after the date the conditions set forth in Section 8.4 are satisfied (hereinafter called "Covenant Defeasance"). For this purpose, such Covenant Defeasance means that, with respect to such Notes, the Issuer may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such specified Section (to the extent so specified in the case of Section 6.1(iv)), whether directly or indirectly by reason of any reference elsewhere herein to any such Section or by reason of any reference in any such Section to any other provision herein or in any other document, but the remainder of this Indenture and such Notes shall be unaffected thereby.

SECTION 8.5 Conditions to Defeasance or Covenant Defeasance. The following shall be the conditions to the application of Section 8.2 or Section 8.3 to any Notes or any series of Notes, as the case may be:

(1) The Issuer or the Parent Guarantor shall irrevocably have deposited or caused to be deposited with the Trustee or Paying Agent (or another trustee which satisfies the requirements contemplated by Section 7.9 and agrees to comply with the provisions of this Article applicable to it) as trust funds in trust for the purpose of making the following payments, specifically pledged as security for, and dedicated solely to, the benefits of the holders of such Notes, (A) money in an amount, or (B) U.S. Governmental Obligations which through the scheduled payment of principal and interest in respect thereof in accordance with their terms will provide, not later than one day before the due date of any payment, money in an amount, or (C) a combination thereof, in each case sufficient, without reinvestment, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, to pay and discharge, and which shall be applied by the Trustee (or any such other qualifying trustee) to pay and discharge, the principal of and any premium and interest on such Notes on the respective Stated Maturities, in accordance with the terms of this Indenture and such Notes.

(2) In the event of an election to have Section 8.2 apply to any Notes or any series of Notes, as the case may be, the Issuer or the Parent Guarantor shall have delivered to the Trustee an Opinion of Counsel stating that (A) the Issuer or the Parent Guarantor has received from, or there has been published by, the Internal Revenue Service a ruling or (B) since the date of this Indenture, there has been a change in the applicable federal income tax law, in either case (A) or (B) to the effect that, and based thereon such opinion shall confirm that, the holders of such Notes will not recognize gain or loss for federal income tax purposes as a result of the deposit, Defeasance and discharge to be effected with respect to such Notes and will be subject to federal income tax on the same amount, in the same manner and at the same times as would be the case if such deposit, Defeasance and discharge were not to occur.

(3) In the event of an election to have Section 8.3 apply to any Notes or any series of Notes, as the case may be, the Issuer or the Parent Guarantor shall have delivered to the Trustee an Opinion of Counsel stating that the holders of such Notes will not recognize gain or loss for federal income tax purposes as a result of the deposit and Covenant Defeasance to be effected with respect to such Notes and will be subject to federal income tax on the same amount, in the same manner and at the same times as would be the case if such deposit and Covenant Defeasance were not to occur.

(4) The Issuer or the Parent Guarantor shall have delivered to the Trustee an Officers' Certificate stating that it has been informed by the relevant securities exchange(s) that neither such Notes nor any other Notes of the same series, if then voluntarily listed on any securities exchange, will be delisted as a result of such deposit.

(5) No event which is, or after notice or lapse of time or both would become, an Event of Default with respect to such Notes or any other Notes shall have occurred and be continuing at the time of such deposit or, with regard to any such event specified in Sections 6.1(v) and 6.1(vi), at any time on or prior to the 90th day after the date of such deposit (it being understood that this condition shall not be deemed satisfied until after such 90th day).

(6) Such Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under, any indenture or other agreement or instrument for borrowed money, pursuant to which in excess of \$150.0 million principal amount is then outstanding, to which the Issuer is a party or by which it is bound.

(7) The Issuer or the Parent Guarantor shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent with respect to such Defeasance or Covenant Defeasance have been complied with.

SECTION 8.6 Indemnity for U.S. Government Obligations. The Issuer shall pay and shall indemnify the Trustee against any tax, fee or other charge imposed on or assessed against deposited U.S. Government Obligations or the principal and interest received on such U.S. Government Obligations.

SECTION 8.7 Deposited Money and U.S. Governmental Obligations to be Held in Trust; Miscellaneous. Subject to the provisions of Section 2.16, all money and U.S. Governmental Obligations (including the proceeds thereof) deposited with the Trustee or other qualifying trustee (solely for purposes of this Section and Section 8.6, the Trustee and any such other trustee are referred to collectively as the “Trustee”) pursuant to Section 8.4 in respect of any Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any such Paying Agent (including the Issuer acting as its own Paying Agent) as the Trustee may determine, to the holders of such Notes, of all sums due and to become due thereon in respect of principal and any premium and interest, but money so held in trust need not be segregated from other funds except to the extent required by law.

The Issuer shall pay and indemnify the Trustee (acting in any capacity hereunder, as applicable) and Paying Agent against any tax, fee or other charge imposed on or assessed against the U.S. Governmental Obligations deposited pursuant to Section 8.4 or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the holders of outstanding Notes.

Anything in this Article to the contrary notwithstanding, the Trustee or Paying Agent shall deliver or pay to the Issuer or the Parent Guarantor from time to time upon request of the Issuer any money or U.S. Governmental Obligations held by it as provided in Section 8.4 with respect to any Notes which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, are in excess of the amount thereof which would then be required to be deposited to effect the Defeasance or Covenant Defeasance, as the case may be, with respect to such Notes.

SECTION 8.8 Reinstatement. If the Trustee or the Paying Agent is unable to apply any money in accordance with this Article with respect to any Notes by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the obligations under this Indenture and such Notes from which the Issuer or the Parent Guarantor has been discharged or released pursuant to Sections 8.2 or 8.3 shall be revived and reinstated as though no deposit had occurred pursuant to this Article with respect to such Notes, until such time as the Trustee or Paying Agent is permitted to apply all money held in trust pursuant to Section 8.5 with respect to such Notes in accordance with this Article; provided, however, that if the Issuer or the Parent Guarantor makes any payment of principal of or any premium or interest on any such Note following such reinstatement of its obligations, the Issuer or the Parent Guarantor shall be subrogated to the rights (if any) of the holders of such Notes to receive such payment from the money so held in trust.

ARTICLE IX

Amendments

SECTION 9.1 Without Consent of Holders. Notwithstanding Section 9.2 hereof, this Indenture, the Notes and Guarantee may be amended or supplemented by the Issuer, the Parent Guarantor (with respect to its Guarantee of the Notes) and the Trustee without notice to or consent of any Holder:

- (i) to cure any ambiguity, omission, mistake, defect or inconsistency;

(xii) to evidence and provide for the acceptance of appointment by a successor Trustee, provided that the successor Trustee is otherwise qualified and eligible to act as such under the terms of this Indenture or to make such changes as shall be necessary to provide for or facilitate the administration of the trusts in this Indenture by more than one trustee; or

(xiii) to provide for or confirm the issuance of Notes or additional Notes of any series.

SECTION 9.2 With Consent of Holders.

(a) This Indenture, the Notes and the Guarantee may be amended or supplemented by the Issuer, the Parent Guarantor (with respect to its Guarantee of the Notes) and the Trustee with the consent of the Holders of at least a majority in aggregate principal amount of the Notes or each series affected by such amendment or supplement then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes) and any existing or past Default or compliance with any provisions of such documents may be waived with the consent of the Holders of a majority in principal amount of the Notes of each series affected by such amendment or supplement then outstanding, in each case, other than Notes beneficially owned by the Issuer or its Affiliates (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes).

- (vii) waive a default in the payment of or principal of or premium, if any, or interest on Notes of any series, except a rescission of acceleration of the Notes of such series by the Holders of at least a majority in aggregate principal amount of the Notes of such series and a waiver of the payment default that results from such acceleration;

(viii) reduce the percentage of the aggregate principal amount of Notes of any series whose Holders must consent to an amendment, supplement or waiver;

(ix) change or impair the legal right of Holders of Notes of any series to receive payment or to institute suit for the enforcement of any payment or conversion of any Notes of such series on or after the due date thereof; or

(x) make any change in the amendment or waiver provisions of this Indenture that require each Holder's consent, as described in clauses (i) through (ix) above.

(c) It shall not be necessary for the consent of the Holders under this Section 9.2 to approve the particular form of any proposed amendment, but it shall be sufficient if such consent approves the substance thereof.

(d) After an amendment under this Section 9.2 becomes effective, the Issuer shall send to the Holders of Notes affected thereby a notice briefly describing such amendment. The failure of the Issuer to send such notice, or any defect therein, shall not in any way impair or affect the validity of an amendment under this Section 9.2.

SECTION 9.3 Effect of Consents and Waivers. A consent to an amendment or a waiver by a Holder of a Note shall bind the Holder and every subsequent Holder of that Note or portion of the Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent or waiver is not made on the Note. After an amendment or waiver becomes effective, it shall bind every Holder unless it makes a change described in clauses (i) through (viii) of Section 9.2(b), in which case the amendment or waiver or other action shall bind each Holder who has consented to it and every subsequent Holder that evidences the same debt as the consenting Holder's Notes. An amendment or waiver made pursuant to Section 9.2 shall become effective upon receipt by the Trustee of the requisite number of written consents.

The Issuer may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. If a record date is fixed, then notwithstanding the immediately preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to take any such action, whether or not such Persons continue to be Holders after such record date.

SECTION 9.4 Notation on or Exchange of Notes. If an amendment changes the terms of a Note, the Trustee may require the Holder of such Note to deliver it to the Trustee. The Trustee may place an appropriate notation on the Note regarding the changed terms and return it to the Holder. Alternatively, if the Issuer or the Trustee so determines, the Issuer in exchange for the Note shall issue and the Trustee shall authenticate a new Note that reflects the changed terms. Failure to make the appropriate notation or to issue a new Note shall not affect the validity of such amendment.

SECTION 9.5 Trustee to Sign Amendments. The Trustee shall sign any amendment, supplement or waiver authorized pursuant to this Article IX if the amendment, supplement or waiver does not, in the sole determination of the Trustee, adversely affect the rights, duties, liabilities or immunities of the Trustee. If it does, the Trustee may but need not sign it. In signing any amendment, supplement or waiver pursuant to this Article IX, the Trustee shall be entitled to receive, and (subject to Sections 7.1 and 7.2) shall be fully protected in relying upon, an Officer's Certificate and an Opinion of Counsel stating that such amendment, supplement or waiver is authorized or permitted by or complies with this Indenture, that all conditions precedent to such amendment required by this Indenture have been complied with and that such amendment, supplement or waiver is the legal, valid and binding obligation of the Issuer, enforceable against the Issuer in accordance with its terms, subject to customary exceptions. Notwithstanding the foregoing, no Opinion of Counsel will be required for the Trustee to execute any amendment or supplement adding a new Guarantor under this Indenture.

ARTICLE X

Guarantee

SECTION 10.1 Guarantee.

(a) Subject to the provisions of this Article X, the Parent Guarantor hereby irrevocably, fully and unconditionally guarantees, as guarantor and not as a surety, to each Holder of the Notes, to the extent lawful, and the Trustee the full and punctual payment when due, whether at maturity, by acceleration, by redemption or otherwise, of the principal of, premium, if any, and interest on the Notes and all other Obligations of the Issuer under this Indenture and the Notes (including, without limitation, interest accruing after the filing of any petition in bankruptcy, or the commencement of any insolvency, reorganization or like proceeding, relating to the Issuer, or the Parent Guarantor whether or not a claim for post-filing or post-petition interest is allowed in such proceeding and the obligations under Section 7.6) (all the foregoing being hereinafter collectively called the "Guarantor Obligations"). The Parent Guarantor agrees (to the extent lawful) that the Guarantor Obligations may be extended or renewed, in whole or in part, without notice or further assent from it, and that it shall remain bound under this Article X notwithstanding any extension or renewal of any Guarantor Obligation.

(b) The Parent Guarantor waives (to the extent lawful) presentation to, demand of, payment from and protest to the Issuer of any of the Guarantor Obligations and also waives (to the extent lawful) notice of protest for nonpayment. The Parent Guarantor waives (to the extent lawful) notice of any default under the Notes or the Guarantor Obligations.

(c) The Parent Guarantor further agrees that its Guarantee herein constitutes a Guarantee of payment when due (and not a Guarantee of collection) and waives any right to require that any resort be had by any Holder to any security held for payment of the Guarantor Obligations.

(d) Except as set forth in Article VIII, the obligations of the Parent Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason (other than payment of the Guarantor Obligations in full), including any claim of waiver, release, surrender, alteration or compromise, and shall not (to the extent lawful) be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guarantor Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of the Parent Guarantor herein shall not (to the extent lawful) be discharged or impaired or otherwise affected by (a) the failure of any Holder to assert any claim or demand or to enforce any right or remedy against the Issuer or any other person under this Indenture, the Notes or any other agreement or otherwise; (b) any extension or renewal of any thereof; (c) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Notes or any other agreement; (d) the release of any security held by any Holder for the Guarantor Obligations or any of them; (e) the failure of any Holder to exercise any right or remedy against any other Guarantor; (f) any change in the ownership of the Issuer; (g) any default, failure or delay, willful or otherwise, in the performance of the Guarantor Obligations; or (h) any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of the Parent Guarantor or would otherwise operate as a discharge of the Parent Guarantor as a matter of law or equity.

(e) The Parent Guarantor agrees that its Guarantee herein shall remain in full force and effect until payment in full of all the Guarantor Obligations or the Parent Guarantor is released from its Guarantee in compliance with Section 4.1 and Article VIII, as applicable. The Parent Guarantor further agrees that its Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of, premium, if any, or interest on any of the Guarantor Obligations is rescinded or must otherwise be restored by any Holder upon the bankruptcy or reorganization of the Issuer or otherwise.

(f) In furtherance of the foregoing and not in limitation of any other right which any Holder has at law or in equity against the Parent Guarantor by virtue hereof, upon the failure of the Issuer to pay any of the Guarantor Obligations when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, the Parent Guarantor hereby promises to and shall, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Trustee or the Trustee on behalf of the Holders an amount equal to the sum of (i) the unpaid amount of such Guarantor Obligations then due and owing and (ii) accrued and unpaid interest on such Guarantor Obligations then due and owing (but only to the extent not prohibited by law) (including interest accruing after the filing of any petition in bankruptcy or the commencement of any insolvency, reorganization or like proceeding relating to the Issuer or the Parent Guarantor whether or not a claim for post-filing or post-petition interest is allowed in such proceeding).

(g) The Parent Guarantor further agrees that, as between the Parent Guarantor, on the one hand, and the Holders, on the other hand, (x) the maturity of the Guarantor Obligations guaranteed hereby may be accelerated as provided in this Indenture for the purposes of its Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guarantor Obligations guaranteed hereby and (y) in the event of any such declaration of acceleration of such Guarantor Obligations, such Guarantor Obligations (whether or not due and payable) shall forthwith become due and payable by the Parent Guarantor for the purposes of this Guarantee.

(h) The Parent Guarantor also agrees to pay any and all reasonable costs and expenses (including reasonable attorneys' fees) incurred by the Trustee or the Holders in enforcing any rights under this Section 10.1.

(i) Neither the Issuer nor the Parent Guarantor shall be required to make a notation on the Notes to reflect any Guarantee or any release, termination or discharge thereof and any such notation shall not be a condition to the validity of any Guarantee.

SECTION 10.2 Right of Contribution. The Parent Guarantor hereby agrees that to the extent that any it shall have paid more than its proportionate share of any payment made on the obligations under its Guarantee, the Parent Guarantor shall be entitled to seek and receive contribution from and against the Issuer. The provisions of this Section 10.2 shall in no respect limit the obligations and liabilities of the Parent Guarantor to the Trustee and the Holders, and the Parent Guarantor shall remain liable to the Trustee and the Holders for the full amount guaranteed by it hereunder.

SECTION 10.3 Subrogation. The Parent Guarantor shall be subrogated to all rights of the Holders of any series of Notes and the Trustee against the Issuer in respect of any amounts paid to such Holders and the Trustee by the Parent Guarantor pursuant to the provisions of the Guarantee; provided, however, that the Parent Guarantor shall not be entitled to be subrogated to any of the rights of the Trustee or any Holder against the Issuer or any collateral security or guarantee or right of offset held by the Trustee or any Holder for the payment of the Guarantor Obligations, nor shall the Parent Guarantor seek or be entitled to seek any contribution or reimbursement from the Issuer in respect of payments made by the Parent Guarantor hereunder, until all amounts owing to the Trustee and the Holders by the Issuer on account of the Guarantor Obligations are paid in full. If any amount shall be paid to the Parent Guarantor on account of such subrogation rights at any time when all of the Guarantor Obligations shall not have been paid in full, such amount shall be held by the Parent Guarantor in trust for the Trustee and the Holders, segregated from other funds of the Parent Guarantor, and shall, forthwith upon receipt by the Parent Guarantor, be turned over to the Trustee in the exact form received by the Parent Guarantor (duly indorsed by the Parent Guarantor to the Trustee, if required), to be applied against the Guarantor Obligations.

ARTICLE XI

Concerning the Noteholders

SECTION 11.1 Evidence of Action by the Noteholders. Whenever in this Indenture it is provided that the holders of Notes of a majority or specified percentage in aggregate principal amount of the Notes of a particular series may take any action (including the making of any demand or request, the giving of any notice, consent or waiver or the taking of any other action), the fact that at the time of taking any such action the holders of Notes of such majority or specified percentage of that series have joined therein may be evidenced by any instrument or any number of instruments of substantially similar tenor executed by such holders of Notes of that series in Person or by agent or proxy appointed in writing.

If the Issuer shall solicit from the Noteholders of any series any request, demand, authorization, direction, notice, consent, waiver or other action, the Issuer may, at its option fix in advance a record date for such series for the determination of Noteholders entitled to give such request, demand, authorization, direction, notice, consent, waiver or other action, but the Issuer shall have no obligation to do so. If such a record date is fixed, such request, demand, authorization, direction, notice, consent, waiver or other action may be given before or after the record date, but only the Noteholders of record at the close of business on the record date shall be deemed to be Noteholders for the purposes of determining whether Noteholders of the requisite proportion of outstanding Notes of that series have authorized or agreed or consented to such request, demand, authorization, direction, notice, consent, waiver or other action, and for that purpose the Outstanding Notes of that series shall be computed as of the record date; provided, however, that no such authorization, agreement or consent by such Noteholders on the record date shall be deemed effective unless it shall become effective pursuant to the provisions of this Indenture not later than six months after the record date. Nothing in this paragraph shall be construed to prevent the Issuer from setting a new record date for any action for which a record date has previously been set pursuant to this paragraph (whereupon the record date previously set shall automatically and with no action by any Person be cancelled and of no effect), and nothing in this paragraph shall be construed to render ineffective any action taken by Noteholders of the requisite principal amount of Outstanding Notes on the date such action is taken.

SECTION 11.2 Proof of Execution by Noteholders.

Subject to the provisions of Section 11.1, proof of the execution of any instrument by a Noteholder (such proof will not require notarization) or his agent or proxy and proof of the holding by any Person of any of the Notes shall be sufficient if made in the following manner:

- (a) The fact and date of the execution by any such Person of any instrument may be proved in any reasonable manner acceptable to the Trustee.
- (b) The ownership of Notes shall be proved by the Security Register of such Notes or by a certificate of the Security Registrar thereof.
- (c) The Trustee may require such additional proof of any matter referred to in this Section as it shall deem necessary.

"*Standard Securitization Undertakings*" means representations, warranties, covenants, indemnities and guarantees of performance entered into by the Issuer or any Subsidiary of the Issuer which the Issuer or has determined in good faith to be customary in a Factoring Transaction or Receivables Financing including, without limitation, those relating to the servicing of the assets of a Receivables Subsidiary, it being understood that any Receivables Repurchase Obligation shall be deemed to be a Standard Securitization Undertaking.

"*Subsidiary*" means, with respect to any Person (1) any corporation, association or other business entity (other than a partnership, joint venture, limited liability company or similar entity) of which more than 50.0% of the total voting power of the Voting Stock is at the time of determination owned or controlled, directly or indirectly, by such Person or one or more of the other Subsidiaries of that Person or a combination thereof and (2) any partnership, joint venture, limited liability company or similar entity of which (x) more than 50.0% of the capital accounts, distribution rights, total equity and voting interests or general and limited partnership interests, as applicable, are owned or controlled, directly or indirectly, by such Person or one or more of the other Subsidiaries of that Person or a combination thereof, whether in the form of membership, general, special or limited partnership interests or otherwise, and (y) such Person or any Subsidiary of such Person is a controlling general partner or otherwise controls such entity.

“*Swap Contract*” means (a) any and all rate swap transactions, basis swaps, credit derivative transactions, forward rate transactions, commodity swaps, commodity options, forward commodity contracts, equity or equity index swaps or options, bond or bond price or bond index swaps or options or forward bond or forward bond price or forward bond index transactions, interest rate options, forward foreign exchange transactions, cap transactions, floor transactions, collar transactions, currency swap transactions, cross-currency rate swap transactions, currency options, spot contracts, or any other similar transactions or any combination of any of the foregoing (including any options to enter into any of the foregoing), whether or not any such transaction is governed by or subject to any master agreement, and (b) any and all transactions of any kind, and the related confirmations, which are subject to the terms and conditions of, or governed by, any form of master agreement published by the International Swaps and Derivatives Association, Inc., any International Foreign Exchange Master Agreement, or any other master agreement, including any obligations or liabilities under any such master agreement.

“*Treasury Rate*” means, with respect to any redemption date, the yield determined by the Issuer in accordance with the following two paragraphs.

The Treasury Rate shall be determined by the Issuer after 4:15 p.m., New York City time (or after such time as yields on U.S. government securities are posted daily by the Board of Governors of the Federal Reserve System), on the third business day preceding the redemption date based upon the yield or yields for the most recent day that appear after such time on such day in the most recent statistical release published by the Board of Governors of the Federal Reserve System designated as “Selected Interest Rates (Daily) — H.15” (or any successor designation or publication) (“H.15”) under the caption “U.S. government securities — Treasury constant maturities — Nominal”(or any successor caption or heading) (“H.15 TCM”).

In determining the Treasury Rate, the Issuer shall select, as applicable: (1) the yield for the Treasury constant maturity on H.15 exactly equal to the period from the redemption date to the Par Call Date (the “Remaining Life”); or (2) if there is no such Treasury constant maturity on H.15 exactly equal to the Remaining Life, the two yields — one yield corresponding to the Treasury constant maturity on H.15 immediately shorter than and one yield corresponding to the Treasury constant maturity on H.15 immediately longer than the Remaining Life — and shall interpolate to the Par Call Date on a straight-line basis (using the actual number of days) using such yields and rounding the result to three decimal places; or (3) if there is no such Treasury constant maturity on H.15 shorter than or longer than the Remaining Life, the yield for the single Treasury constant maturity on H.15 closest to the Remaining Life. For purposes of this paragraph, the applicable Treasury constant maturity or maturities on H.15 shall be deemed to have a maturity date equal to the relevant number of months or years, as applicable, of such Treasury constant maturity from the redemption date.

If on the third business day preceding the redemption date H.15 TCM is no longer published, the Issuer shall calculate the Treasury Rate based on the rate per annum equal to the semi-annual equivalent yield to maturity at 11:00 a.m., New York City time, on the second business day preceding such redemption date of the United States Treasury security maturing on, or with a maturity that is closest to, the Par Call Date, as applicable. If there is no United States Treasury security maturing on the Par Call Date but there are two or more United States Treasury securities with a maturity date equally distant from the Par Call Date, one with a maturity date preceding the Par Call Date and one with a maturity date following the Par Call Date, the Issuer shall select the United States Treasury security with a maturity date preceding the Par Call Date.

If there are two or more United States Treasury securities maturing on the Par Call Date or two or more United States Treasury securities meeting the criteria of the preceding sentence, the Issuer shall select from among these two or more United States Treasury securities the United States Treasury security that is trading closest to par based upon the average of the bid and asked prices for such United States Treasury securities at 11:00 a.m., New York City time. In determining the Treasury Rate in accordance with the terms of this paragraph, the semi-annual yield to maturity of the applicable United States Treasury security shall be based upon the average of the bid and asked prices (expressed as a percentage of principal amount) at 11:00 a.m., New York City time, of such United States Treasury security, and rounded to three decimal places.

“*Voting Stock*” of any specified Person as of any date means any and all shares or equity interests (however designated) of such Person that are at the time entitled to vote generally in the election of the board of directors, managers or trustees of such Person, as applicable

ARTICLE 2

GENERAL TERMS AND CONDITIONS OF THE NOTES

Section 2.1. Title of Notes. There shall be a series of Notes of the Issuer designated the “5.950% Senior Notes due 2033.”

Section 2.2. Form and Payment. (a) The Notes shall be issued substantially in the form set forth, or referenced, in Article II of the Base Indenture and Exhibit A attached hereto, which form is hereby incorporated in and made a part of this Supplemental Indenture, in each case as provided for in Section 2.1 of the Indenture (as such form may be modified in accordance with Section 2.3 of the Indenture).

(b) Principal, premium, if any, and interest on the global notes representing the Notes shall be made to the Paying Agent (defined below) which in turn shall make payment to The Depository Trust Company as the Depository with respect to the Notes or its nominee.

(c) The Notes shall be issued as global notes, only in fully registered book-entry form, without coupons, in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

(d) The global notes representing the Notes shall be deposited with, or on behalf of, the Depository and shall be registered, at the request of the Depository, in the name of Cede & Co.

(e) U.S. Bank Trust Company, National Association shall initially act as paying agent for the Notes (the “Paying Agent”). The Issuer may appoint and change the Paying Agent without prior notice to the Holders.

Section 2.3. Maturity Date. The final Stated Maturity of the Notes shall be August 4, 2033.

Section 2.4. Interest and Interest Rates. Interest on the Outstanding principal amount of the Notes will accrue at the rate of 5.950% per annum and will be payable semi-annually in arrears on February 4 and August 4 in each year, commencing on February 4, 2024, to Holders of record on the immediately preceding January 20 and July 20, respectively (each such January 20 and July 20, a “Regular Record Date”). Interest on the Notes will accrue from the most recent date to which interest has been paid or provided for or, if no interest has been paid, from August 4, 2023, except that interest on any additional Notes issued on or after the first Interest Payment Date will accrue (or will be deemed to have accrued) from the most recent date to which interest has been paid or duly provided for or, if no interest has been paid on such additional Notes, from the Interest Payment Date immediately preceding the date of issuance of such additional Notes (or if the date of issuance of such additional Notes is an Interest Payment Date, from such date of issuance); provided that if any Note is surrendered for exchange on or after a record date for an Interest Payment Date that will occur on or after the date of such exchange, interest on such Note received in exchange thereof will accrue from such Interest Payment Date.

Section 2.5. No Limitation on Aggregate Principal Amount. The aggregate principal amount of Notes that may be authenticated and delivered and Outstanding under the Indenture is not limited. The aggregate principal amount of the Notes shall initially be \$650,000,000. Subject to the terms of the Indenture, the Issuer may from time to time, without the consent of the Holders, create and issue additional notes having the same terms and conditions as the Notes in all respects or in all respects except for issue date, issue price and, if applicable, the first date on which interest accrues and the first payment of interest thereon. Additional Notes issued in this manner will be consolidated with, and will form a single series with, the Notes, unless otherwise specified for additional notes in an applicable Notes Supplemental Indenture, or otherwise designated by the Issuer, as contemplated by Section 2.3 of the Base Indenture; provided, that if any additional Notes are not fungible with the initial Notes for U.S. federal income tax purposes, such additional Notes will have a separate “CUSIP” or “ISIN” number.

Section 2.6. Other Terms. The Notes shall be unsecured senior indebtedness of the Issuer and shall rank equally and ratably in right of payment with all of the Issuer’s other unsecured and unsubordinated indebtedness outstanding from time to time. The Notes shall not be convertible into, or exchangeable for, any other securities of the Issuer, except that the Notes shall be exchangeable for other Notes to the extent provided for in the Base Indenture.

Section 2.7. Defeasance. The Notes shall be defeasible pursuant to both Sections 8.3 and 8.4 of the Base Indenture, and the provisions of Article VIII of the Base Indenture shall apply to the Notes.

(a) The Issuer will not, and will not permit any Subsidiary of the Issuer to, create, Incur, assume or permit to exist any Lien on any property or asset, to secure any Indebtedness of the Issuer, any such Subsidiary or any other Person, without securing the Notes equally and ratably with such Indebtedness for so long as such Indebtedness will be so secured, subject to certain exceptions.

(b) The foregoing restriction does not apply, with respect to any Person, to any of the following (any such Lien, a “Permitted Lien”):

- (11) Liens to secure any refinancing (or successive refinancings) as a whole, or in part, of any indebtedness secured by any lien referred to in clauses (1), (3), (4), (6) and (24) of this definition; provided, however, that (x) such new Lien shall be limited to all or part of the same property or assets that secured (or, under the written arrangements under which the original Lien arose, could secure) the original Lien (plus improvements on such property or assets), and (y) the Indebtedness secured by such Lien at such time is not increased to any amount greater than the sum of (A) the outstanding principal amount or, if greater, committed amount of the Indebtedness described under clauses (1), (3), (4), (6) and (24) of this definition at the time the original Lien became a Permitted Lien under the indenture, and (B) an amount necessary to pay the costs related to such refinancing;
- (12) Liens on the Equity Interests or assets of a joint venture to secure Indebtedness of such joint venture;
- (13) Liens on equipment of the Issuer or any Subsidiary of the Issuer granted in the ordinary course of business to the Issuer’s or such Subsidiary’s client at which such equipment is located;
- (14) Liens created for the benefit of (or to secure) all of the Notes or the guarantee;

- (20) Liens deemed to exist in connection with investments in cash and Cash Equivalents or Investment Grade Securities and investments that were Cash Equivalents or Investment Grade Securities when made, which investments constitute repurchase obligations;
- (21) Liens securing obligations (i) in respect of trade-related letters of credit and covering the goods (or the documents of title in respect of such goods) financed by such letters of credit and the proceeds and products thereof and (ii) in respect of any other letters of credit and bankers’ acceptances, in each case to the extent the same are not drawn and unreimbursed;

(22) Liens on cash proceeds of Indebtedness (and on the related escrow accounts) in connection with the issuance of such Indebtedness into (and pending the release from) a customary escrow arrangement;

(23) Liens on property incurred in Permitted Sale and Leaseback Transactions;

(24) Liens otherwise prohibited by this covenant, securing Indebtedness which, together with the value of Attributable Debt incurred in sale and leaseback transactions described under “— Limitation on sale and leasebacks” below, do not exceed at any time outstanding the greater of (x) \$990,000,000 and (y) 15% of Consolidated Total Assets.

For purposes of determining compliance with this covenant, (u) a Lien need not be Incurred solely by reference to one category of Permitted Liens described in this covenant but may be Incurred under any combination of such categories (including in part under one such category and in part under any other such category), (v) in the event that a Lien (or any portion thereof) meets the criteria of one or more of such categories of Permitted Liens, the Issuer may, in its sole discretion, classify or reclassify such Lien (or any portion thereof) in any manner that complies with this definition, (w) in the event that a portion of Indebtedness secured by a Lien could be classified as secured in part pursuant to a sub-clause of clause (24) above (giving effect to the Incurrence of such portion of such Indebtedness), the Issuer, in its sole discretion, may classify such portion of such Indebtedness (and any obligations in respect thereof) as having been secured pursuant to such sub-clause of clause (24) above and the remainder of the Indebtedness as having been secured pursuant to one or more of the other sub-clauses of clause (24) or the other clauses of this definition, (x) the principal amount of Indebtedness secured by a Lien outstanding under any category of Permitted Liens shall be determined after giving effect to the application of proceeds of any such Indebtedness to refinance any such other Indebtedness, (y) if any Liens securing Indebtedness are Incurred to refinance Liens securing Indebtedness initially Incurred (or, Liens securing Indebtedness Incurred to refinance Liens securing Indebtedness initially Incurred) in reliance on a category of Permitted Liens measured by reference to a percentage of Consolidated Total Assets at the time of Incurrence, and such refinancing would cause the percentage of Consolidated Total Assets to be exceeded if calculated based on the Consolidated Total Assets on the date of such refinancing, such percentage of Consolidated Total Assets restriction shall not be deemed to be exceeded (and such newly Incurred Liens shall be deemed permitted) to the extent the principal amount of such Indebtedness secured by such newly Incurred Liens does not exceed the principal amount of such Indebtedness secured by such Liens being refinanced, plus the related costs incurred or payable in connection with such refinancing and (z) if any Liens securing Indebtedness are Incurred to refinance Liens securing Indebtedness initially Incurred (or, Liens securing Indebtedness Incurred to refinance Liens securing Indebtedness initially Incurred) in reliance on a category of Permitted Liens measured by reference to a fixed dollar amount, such fixed dollar amount shall not be deemed to be exceeded (and such newly Incurred Liens shall be deemed permitted) to the extent the principal amount of such Indebtedness secured by such newly Incurred Liens does not exceed the principal amount of such Indebtedness secured by such Liens being refinanced, plus the related costs Incurred or payable in connection with such refinancing.

Section 3.2. Limitation on Sale and Leaseback Transactions. (a) The Issuer will not, and will not permit any Subsidiary of the Issuer to, enter into any Sale and Leaseback Transactions (other than a Permitted Sale and Leaseback Transaction), unless the Issuer or such Subsidiary would be entitled to secure the property to be leased (without equally and ratably securing the outstanding Notes) in an amount equal to the Attributable Debt incurred in such Sale and Leaseback Transaction.

(b) The foregoing restriction does not apply, with respect to any Person, to any of the following (any such transaction, a “Permitted Sale and Leaseback Transaction”):

- (1) temporary leases for a term, including renewals at the option of the lessee, of not more than three years;
- (2) leases between only the Issuer and a Subsidiary of the Issuer or only between subsidiaries of the Issuer;
- (3) leases of property executed by the time of, or within 12 months after the latest of, the acquisition, the completion of construction or improvement, or the commencement of commercial operation of the property; and
- (4) any Sale and Leaseback Transaction if the value of the Attributable Debt incurred therein, together with the amount of Indebtedness secured by Liens described in Section 3.1(b)(24), does not exceed at any time outstanding the greater of (x) \$990,000,000 and (y) 15% of Consolidated Total Assets.

ARTICLE 4

REDEMPTION OF THE NOTES

Section 4.1. Optional Redemption.

(a) Prior to the Par Call Date, the Issuer may redeem the Notes at its option, in whole or in part, at any time and from time to time, at a redemption price (expressed as a percentage of principal amount and rounded to three decimal places) equal to the greater of:

- (1) (a) the sum of the present values of the remaining scheduled payments of principal and interest thereon discounted to the redemption date (assuming the Notes matured on the Par Call Date) on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 35 basis points less (b) interest accrued to, but excluding, the redemption date, and
- (2) 100% of the principal amount of the Notes to be redeemed,

plus, in either case, accrued and unpaid interest on the principal amount being redeemed to, but excluding, the redemption date.

On or after the Par Call Date, the Issuer may redeem the Notes, in whole or in part, at any time and from time to time, at a redemption price equal to 100% of the principal amount of the Notes being redeemed plus accrued and unpaid interest on the principal amount being redeemed, but excluding, to the redemption date.

The Issuer's actions and determinations in determining the redemption price shall be conclusive and binding for all purposes, absent manifest error.

In addition to complying with Section 5.3 of the Base Indenture, notice of any redemption of Notes may, at the Issuer's discretion, be given subject to the satisfaction or waiver of one or more conditions precedent, including, but not limited to, completion of a corporate transaction that is pending (such as an equity or equity-linked offering, an incurrence of indebtedness or an acquisition or other strategic transaction involving a change of control in us or another entity). If such redemption is so subject to satisfaction or waiver of one or more conditions precedent, such notice shall describe each such condition, and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied or otherwise waived on or prior to the business day immediately preceding the relevant redemption date.

The Issuer shall notify Holders of any such rescission as soon as practicable after the Issuer determines that such conditions precedent will not be able to be satisfied or the Issuer is not able or willing to waive such conditions precedent, in each case subject to policies and procedures of DTC (or any successor depository). In any event, the Issuer shall provide written notice to the Trustee at least two business days prior to the relevant redemption date if any such redemption has been rescinded or delayed, and upon receipt of such notice the Trustee shall provide such notice to each Holder of the Notes in the same manner in which the notice of redemption was given. Once notice of redemption is mailed or otherwise given in accordance with the procedures of DTC, subject to the satisfaction of any conditions precedent provided in the notice of redemption, the Notes called for redemption will become due and payable on the redemption date and at the applicable redemption price in accordance with this Section 4.1.

In the case of a partial redemption, selection of the Notes for redemption will be made pro rata, by lot or by such other method as the Trustee in its sole discretion deems appropriate and fair in accordance with the applicable depository procedures and any applicable stock exchange. No Notes of a principal amount of \$2,000 or less will be redeemed in part. If any Note is to be redeemed in part only, the notice of redemption that relates to the Note will state the portion of the principal amount of the note to be redeemed. A new Note in a principal amount equal to the unredeemed portion of the Note will be issued in the name of the Holder of the Note upon surrender for cancellation of the original Note. For so long as the Notes are held by DTC (or another depository), the redemption of the Notes shall be done in accordance with the policies and procedures of the depository.

Unless the Issuer defaults in payment of the redemption price, on and after the redemption date interest will cease to accrue on the Notes or portions thereof called for redemption, subject to the satisfaction or waiver of any conditions precedent specified in the related notice of redemption.

Section 4.2. Purchase of Notes Upon a Change of Control Triggering Event. (a) If a Change of Control Triggering Event occurs, unless the Issuer has exercised its right to redeem the Notes in full, pursuant to Section 4.1, Holders of Notes will have the right to require the Issuer to repurchase all or a portion of such Holder's Notes pursuant to the offer described in 4.2(b) below (the "Change of Control Offer"), at a purchase price equal to 101% of the principal amount thereof plus accrued and unpaid interest, if any, to, but excluding, the date of repurchase, subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant interest payment date.

(b) Within 30 days following the date upon which the Change of Control Triggering Event occurred, or at the Issuer's option, prior to any Change of Control but after the public announcement of the pending Change of Control, the Issuer will be required to send, by first class mail, or otherwise deliver in accordance with the applicable procedures or regulations of DTC, a notice to Holders of Notes not previously redeemed, with a copy to the Trustee. Such notice will set forth the terms of the Change of Control Offer and state, among other things, the repurchase date, which must be no earlier than 30 days nor later than 60 days from the date such notice is mailed, or otherwise delivered to each holder in accordance with the applicable procedures of DTC, other than as may be required by law (the "Change of Control Payment Date"), *provided, however*, that such notice may be sent more than 60 days prior to the Change of Control Payment Date if such notice is sent in accordance with the following sentence. The notice, if mailed or otherwise delivered to each Holder in accordance with the applicable procedures of DTC prior to the date of consummation of the Change of Control, may state that the Change of Control Offer is conditioned on the Change of Control being consummated on or prior to the Change of Control Payment Date. Holders of Notes not previously redeemed electing to have their Notes repurchased pursuant to a Change of Control Offer will be required to surrender their Notes, with the form entitled "Option of Holder to Elect Purchase" on the reverse of the Note completed, to the Paying Agent at the address specified in the notice, or transfer their Notes to the Paying Agent by book-entry transfer pursuant to the applicable procedures of the Paying Agent, prior to the close of business on the third business day prior to the Change of Control Payment Date.

(c) The Issuer will not be required to make a Change of Control Offer if a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for such an offer made by the Issuer and such third party purchases all Notes properly tendered and not withdrawn under its offer.

(d) The Issuer will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any such securities laws or regulations conflict with the Change of Control Offer provisions of the Notes, the Issuer will comply with those securities laws and regulations and will not be deemed to have breached its obligations under the Change of Control Offer provisions of the notes by virtue of any such conflict.

Section 4.3. No Sinking Fund. The Notes shall not be redeemable at the option of any Holder thereof. The Notes will not be entitled to any sinking fund or analogous requirement. The Issuer may acquire Notes, from time to time and at any time, by means other than a redemption, whether by tender offer, open market purchases, negotiated transactions or otherwise, in accordance with applicable securities laws, so long as such acquisition does not otherwise violate the terms of the Base Indenture and this Supplemental Indenture.

ARTICLE 5

EVENTS OF DEFAULT

Section 5.1. Events of Default. Solely with respect to the Notes, Section 6.1 of the Base Indenture shall be amended as follows:

(a) The following clause shall be added immediately following clause (vii): “(viii) the failure by the Issuer to pay the principal amount of Indebtedness (other than Indebtedness owing to the Issuer, the Parent Guarantor or any Subsidiary of the Issuer) which results in a principal amount in excess of \$120.0 million becoming or being declared due and payable prior to the date on which it would otherwise have become due, and such acceleration has not been rescinded or annulled or such indebtedness has not been discharged within 30 days after the Issuer receives written notice of such default.”

(b) The word “or” following clause (vi) shall be deleted; and

(c) The word “or” shall be added immediately following clause (vii).

Booz Allen Hamilton Inc., a corporation duly organized and existing under the laws of the State of Delaware (and its successors and assigns) (the “Issuer”), promises to pay to Cede & Co., or its registered assigns, the principal sum of \$[] (or such lesser or greater amount as shall be outstanding hereunder from time to time in accordance with Section 2.15 of the Indenture referred to on the reverse hereof) (the “Principal Amount”) on August 4, 2033.

Interest on the Outstanding Principal Amount will accrue at the rate of 5.950 % per annum and shall be payable semi-annually in arrears on February 4 and August 4 of each year, commencing February 4, 2024 (each, an “Interest Payment Date”). Interest on this Note will accrue from the most recent date to which interest on this Note has been paid or duly provided for or, if no interest has been paid, from the issue date.

Interest on the Notes shall be computed on the basis of a 360-day year consisting of twelve 30-day months. The interest so payable, and punctually paid or duly provided for, on any Interest Payment Date shall, as provided in the Indenture, be paid to the Person in whose name this Note is registered at the close of business on the Regular Record Date for such interest, which shall be the January 20 and July 20 (a "Regular Record Date"), as the case may be, immediately preceding such Interest Payment Date. Any interest on the Notes that is payable, but is not punctually paid or duly provided for, on any Interest Payment Date ("Defaulted Interest") shall forthwith cease to be payable to the registered Holder on the relevant Regular Record Date by virtue of having been such Holder; and such Defaulted Interest may be paid by the Issuer, at their election, to the Person in whose name the Notes are registered at the close of business on a Special Record Date for the payment of such Defaulted Interest to be fixed by the Trustee, notice whereof shall be given to Holders not more than 15 days nor less than 10 days prior to such Special Record Date, or at any time in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Notes may be listed, and upon such notice as may be required by such exchange, all as more fully provided in Section 2.10 of the Indenture.

Payment of the principal of (and premium, if any) and interest on this Note will be made at the Corporate Trust Office of the Trustee, or such other office or agency of the Issuer maintained for that purpose; provided, however, that at the option of the Issuer, payment of interest may be made by wire transfer of immediately available funds to the account designated to the Issuer by the Person entitled thereto or by check mailed to the address of the Person entitled thereto as such address shall appear in the Note Register.

Reference is hereby made to the further provisions of this Note set forth on the reverse hereof, which further provisions shall for all purposes have the same effect as if set forth at this place.

Unless the certificate of authentication hereon has been executed by the Trustee referred to on the reverse hereof by manual signature, this Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose.

IN WITNESS WHEREOF, the Issuer has caused this instrument to be duly executed.

(REVERSE OF NOTE)

This Note is one of the duly authorized issue of 5.950% Notes due 2033 of the Issuer (herein called the “Notes”), issued under an Indenture, dated as of August 4, 2023 (herein called the “Base Indenture,” which term shall have the meaning assigned to it in such instrument), among the Issuer, Booz Allen Hamilton Holding Corporation, as parent guarantor (herein called the “Parent Guarantor,” as such term is further defined in the Base Indenture), and U.S. Bank Trust Company, National Association, as Trustee (herein called the “Trustee,” which term includes any successor trustee under the Indenture), as supplemented by the First Supplemental Indenture, dated as of August 4, 2023 (the “First Supplemental Indenture” and, together with the Base Indenture, the “Indenture”), among the Issuer, the Parent Guarantor and the Trustee, and reference is hereby made to the Indenture for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Issuer, any other obligor upon this Note, the Trustee and the Holders of the Notes and of the terms upon which the Notes are, and are to be, authenticated and delivered. The terms of the Notes include those stated in the Indenture and those made a part of the Indenture by reference to the Trust Indenture Act of 1939, as amended, as in effect from time to time (the “TIA”). The Notes are subject to all such terms, and Holders are referred to the Indenture and any applicable provision of the TIA for a statement of such terms. To the maximum extent permitted by law, in the case of any conflict between the provisions of this Note and the Indenture, the provisions of the Indenture shall control.

All terms used in this Note that are defined in the Indenture shall have the meanings assigned to them in the Indenture.

The Notes are redeemable, at the Issuer’s option, in whole or in part, as provided in the Indenture.

The First Supplemental Indenture provides (as and to the extent set forth therein) that, upon the occurrence after the issue date of a Change of Control Triggering Event, each Holder of Notes will have the right to require that the Issuer purchase all or any part of such Holder’s Notes at a purchase price equal to 101.0% of the principal amount thereof plus accrued and unpaid interest, if any, to (but excluding) the date of such purchase (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on the relevant Interest Payment Date), except to the extent the Issuer has previously elected to redeem all of the Notes pursuant to Article VIII of the Indenture.

The payment by the Company of the principal of, and premium and interest on, the Securities is irrevocably, fully and unconditionally guaranteed by the Parent Guarantor.

The Notes will not be entitled to the benefit of a sinking fund.

The Indenture contains provisions for defeasance at any time of the entire Indebtedness of this Note or certain restrictive covenants and certain Events of Default with respect to this Note, in each case upon compliance with certain conditions set forth in the Indenture.

If an Event of Default with respect to the Notes shall occur and be continuing, the principal of and accrued but unpaid interest on the Notes may be declared due and payable in the manner and with the effect provided in the Indenture.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and of the Notes by the Issuer and the Trustee with the consent of the Holders of a majority in principal amount of the Notes then outstanding. The Indenture also contains provisions permitting the Holders of specified percentages in principal amount of the Notes then outstanding, on behalf of the Holders of all Notes, to waive compliance by the Issuer with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Subject to the Indenture, any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note.

As provided in and subject to the provisions of the Indenture, the Holder of this Note shall not have the right to pursue any remedy with respect to the Indenture, unless such Holder shall have previously given the Trustee written notice of a continuing Event of Default with respect to the Notes, the Holders of at least 30% of the aggregate principal amount of the Notes then outstanding shall have made written request to the Trustee to pursue such remedy, such Holder or Holders shall have offered, and if requested, provided to, the Trustee security or indemnity reasonably satisfactory to it against any loss, liability or expense, and the Trustee shall not have received from the Holders of a majority in principal amount of Notes then outstanding a written direction inconsistent with such request, and shall have failed to comply with such request, for 60 days after receipt of such request and offer of security or indemnity. The foregoing shall not apply to any suit instituted by the Holder of this Note for the enforcement of any payment of principal hereof or any premium or interest hereon on or after the respective due dates expressed herein.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Issuer, which is absolute and unconditional, to pay the principal of and any premium and interest on this Note at the times, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Note is registrable in the Note Register, upon surrender of this Note for registration of transfer at the office or agency of the Issuer in a Place of Payment, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Issuer and the Note Registrar, duly executed by the Holder hereof or such Holder's attorney duly authorized in writing, and thereupon one or more new Notes of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Notes shall be issuable only in fully registered form, without coupons, and only in denominations of the Minimum Denomination and any integral multiple of \$1,000 in excess thereof. As provided in the Indenture and subject to certain limitations therein set forth, the Notes are exchangeable for a like aggregate principal amount of Notes of the same series of like tenor of any authorized denominations, as requested by the Holder surrendering the same.

No service charge shall be made for any such registration, transfer or exchange, but the Issuer and/or the Trustee may require payment of a sum sufficient to cover any transfer tax or other governmental charge payable in connection therewith.

The Issuer, the Parent Guarantor, the Trustee, the Paying Agent and any agent of any of them may treat the Person in whose name this Note is registered as the owner hereof for the purpose of receiving payment of principal of (and premium, if any), and (subject to Section 2.10 of the Indenture) interest on, such Note and for all other purposes whatsoever, whether or not this Note be overdue, and none of the Issuer, the Parent Guarantor, the Trustee, the Paying Agent nor any agent of any of them shall be affected by notice to the contrary.

THE INDENTURE AND THIS NOTE SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK. THE TRUSTEE, THE ISSUER, THE PARENT GUARANTOR, ANY OTHER OBLIGOR UPON THIS NOTE, AND (BY ITS ACCEPTANCE OF THIS NOTE) THE HOLDER HEREOF AGREE TO SUBMIT TO THE JURISDICTION OF ANY UNITED STATES FEDERAL OR STATE COURT LOCATED IN THE BOROUGH OF MANHATTAN, IN THE CITY OF NEW YORK IN ANY ACTION OR LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THE INDENTURE, THIS NOTE OR THE TRANSACTIONS CONTEMPLATED THEREBY.

Ladies and Gentlemen:

This opinion is furnished to you in connection with the Registration Statement on Form S-3 (File Nos. 333-273531 and 333-273531-01) (the “Registration Statement”) and the Prospectus Supplement, dated August 1, 2023 (the “Prospectus Supplement”), to the Prospectus, dated July 31, 2023, of Booz Allen Hamilton Inc., a Delaware corporation (the “Company”) and Booz Allen Hamilton Holding Corporation, a Delaware corporation (the “Parent Guarantor”), filed with the Securities and Exchange Commission (the “Commission”), relating to the issuance and sale by the Company of \$650,000,000 aggregate principal amount of its 5.950% Senior Notes due 2033 (the “Notes”), issued pursuant to the Indenture, dated as of August 4, 2023 (the “Base Indenture”), among the Company, Parent Guarantor and U.S. Bank Trust Company, National Association, as trustee (the “Trustee”), as supplemented and amended by the First Supplemental Indenture, dated as of August 4, 2023, among the Company, the Parent Guarantor and the Trustee, providing for the Notes (the “First Supplemental Indenture”; the Base Indenture, as supplemented and amended by the First Supplemental Indenture, the “Indenture”) and sold pursuant to the Underwriting Agreement, dated August 1, 2023, among the Company, the Parent Guarantor, BofA Securities, Inc. and J.P. Morgan Securities LLC, as representatives of the several underwriters named therein. The Notes are fully and unconditionally guaranteed (the “Guarantee”) by the Parent Guarantor pursuant to the Indenture.

In arriving at the opinions expressed below, we have (a) examined and relied on the originals, or copies certified or otherwise identified to our satisfaction, of the Indenture and the global notes representing the Notes, (b) examined and relied on such corporate or other organizational documents and records of the Company and the Parent Guarantor and such certificates of public officials, officers and representatives of the Company and the Parent Guarantor and other persons as we have deemed appropriate for the purposes of such opinions, (c) examined and relied as to factual matters upon, and assumed the accuracy of, the statements made in the certificates of public officials, officers and representatives of the Company and the Parent Guarantor and other persons delivered to us and (d) made such investigations of law as we have deemed appropriate as a basis for such opinions.

In rendering the opinions expressed below, we have assumed, with your permission, without independent investigation or inquiry, (i) the authenticity and completeness of all documents that we have examined, (ii) the genuineness of all signatures on all documents that we examined, (iii) the conformity to authentic originals and completeness of documents examined by us that are certified, conformed, reproduction, photostatic or other copies, (iv) the legal capacity of all natural persons executing documents, (v) the valid existence and good standing of the Trustee, (vi) the corporate or other power and authority of the Trustee to enter into and perform its obligations under the Indenture, (vii) the due authorization, execution and delivery of the Indenture by the Trustee, (viii) the enforceability of the Indenture against the Trustee and (ix) the due authentication of the Notes on behalf of the Trustee in the manner provided in the Indenture.

Based upon and subject to the foregoing and the qualifications and limitations hereinafter set forth, we are of the opinion that:

1. The Notes constitute valid and binding obligations of the Company enforceable against the Company in accordance with their terms.
2. The Guarantee pursuant to the Indenture constitutes a valid and binding obligation of the Parent Guarantor enforceable against the Parent Guarantor in accordance with its terms.

Our opinions set forth above are subject to the effects of (i) bankruptcy, insolvency, fraudulent conveyance, fraudulent transfer, reorganization and moratorium laws, and other similar laws relating to or affecting creditors' rights or remedies generally, (ii) general equitable principles (whether considered in a proceeding in equity or at law) and (iii) concepts of good faith, diligence, reasonableness and fair dealing, and standards of materiality.

We express no opinion as to the laws of any jurisdiction other than the laws of the State of New York and the General Corporation Law of the State of Delaware, each as in effect on the date hereof.

In giving such consent, we do not thereby concede that we are within the category of persons whose consent is required under Section 7 of the Securities Act of 1933, as amended, or the rules and regulations of the Commission thereunder.
