U.S. Army Corps of Engineers Selects Booz Allen as Recipient of up to \$900M, 10-Year Contract to Provide Technical Support for DoD Joint Test and Evaluation Program

MCLEAN, Va.--(BUSINESS WIRE)-- The Department of Defense (DoD) Joint Test and Evaluation (JT&E) program assesses joint military operations to identify warfighting gaps and recommend solutions for the joint force. To support the JT&E program in advancing defense capabilities, the U.S. Army Corps of Engineers has awarded [Booz Allen Hamilton](#) (NYSE: BAH) a prime position on a \$900 million, indefinite delivery/ indefinite quantity contract to provide engineering and technical support over a potential 10-year period.

"We are honored to expand our partnership with the DoD and the Combatant Commands to apply our operational understanding and our test, evaluation and analysis capabilities to the front lines of U.S. defense operations," said [Stephen Moore](#), vice president at Booz Allen. "Our team of joint warfighting experts, testers and data analysts will use mission understanding and advanced analytics to continue to provide commanders and defense staff with warfighting solutions to ensure successful operations in the interest of national security."
